22. Please indicate the approximate percentage of Research and Teaching staff holding a PhD at your faculty	26
23. How would you describe the research facilities and infrastructure (labs, computer labs, libraries, research support services etc.) at your institution	27
24. How would you generally describe facilities and infrastructure at your institution	28
Q26 Does your institution have/ engage in any of the following	31

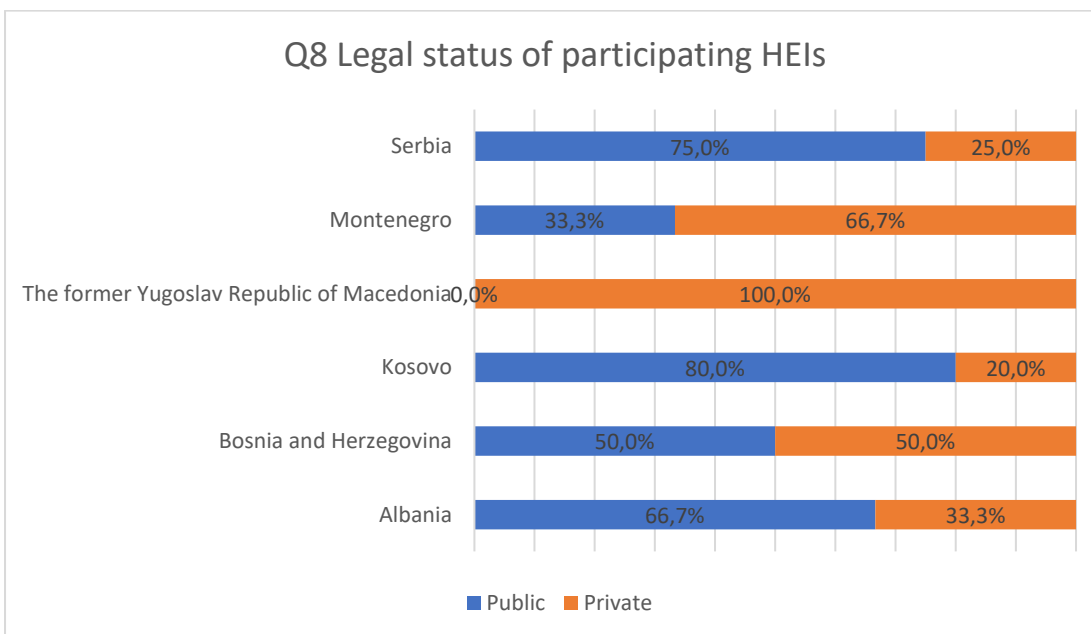

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

Sample:

Albania	9
Bosnia and Herzegovina	6
Kosovo	5
The former Yugoslav Republic of Macedonia	2
Montenegro	3
Serbia	12
Total	37

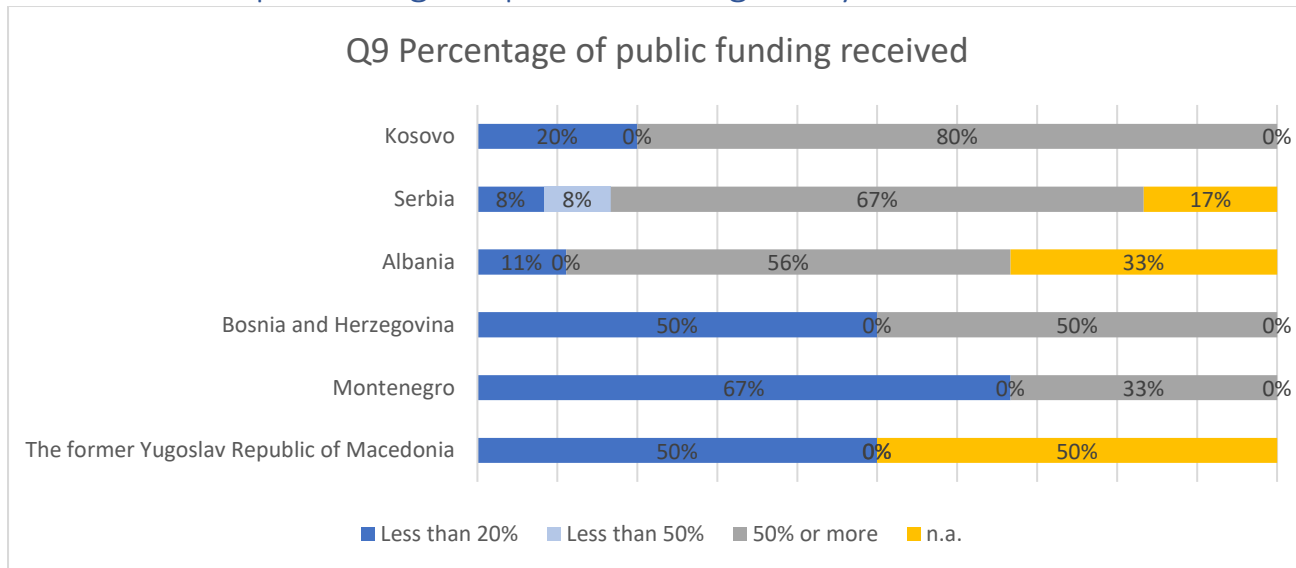

8. Legal status of your institution

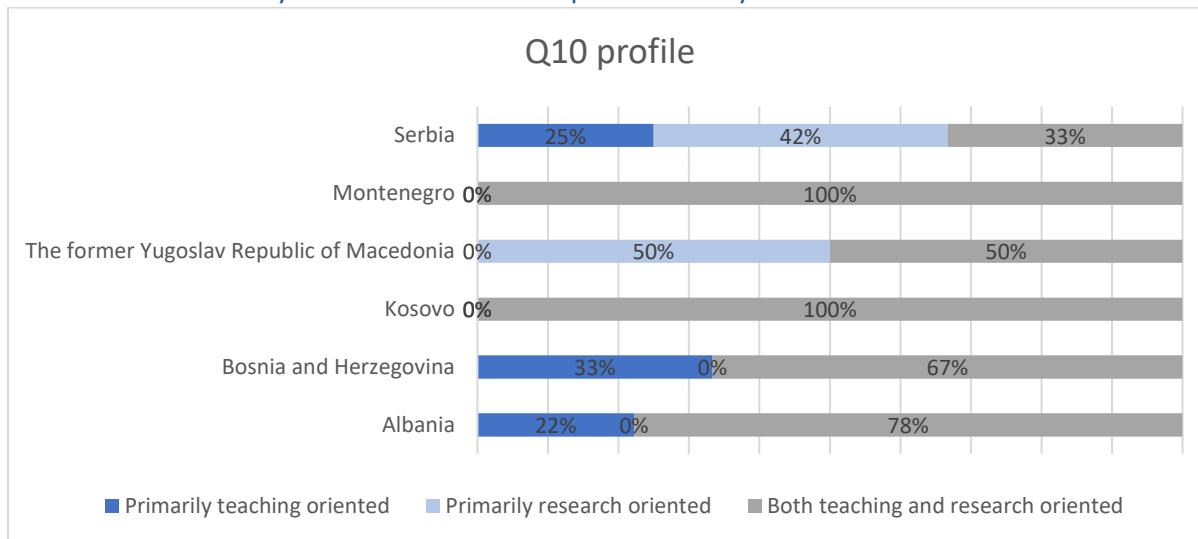

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

9. What is the percentage of public funding that your institution receives?

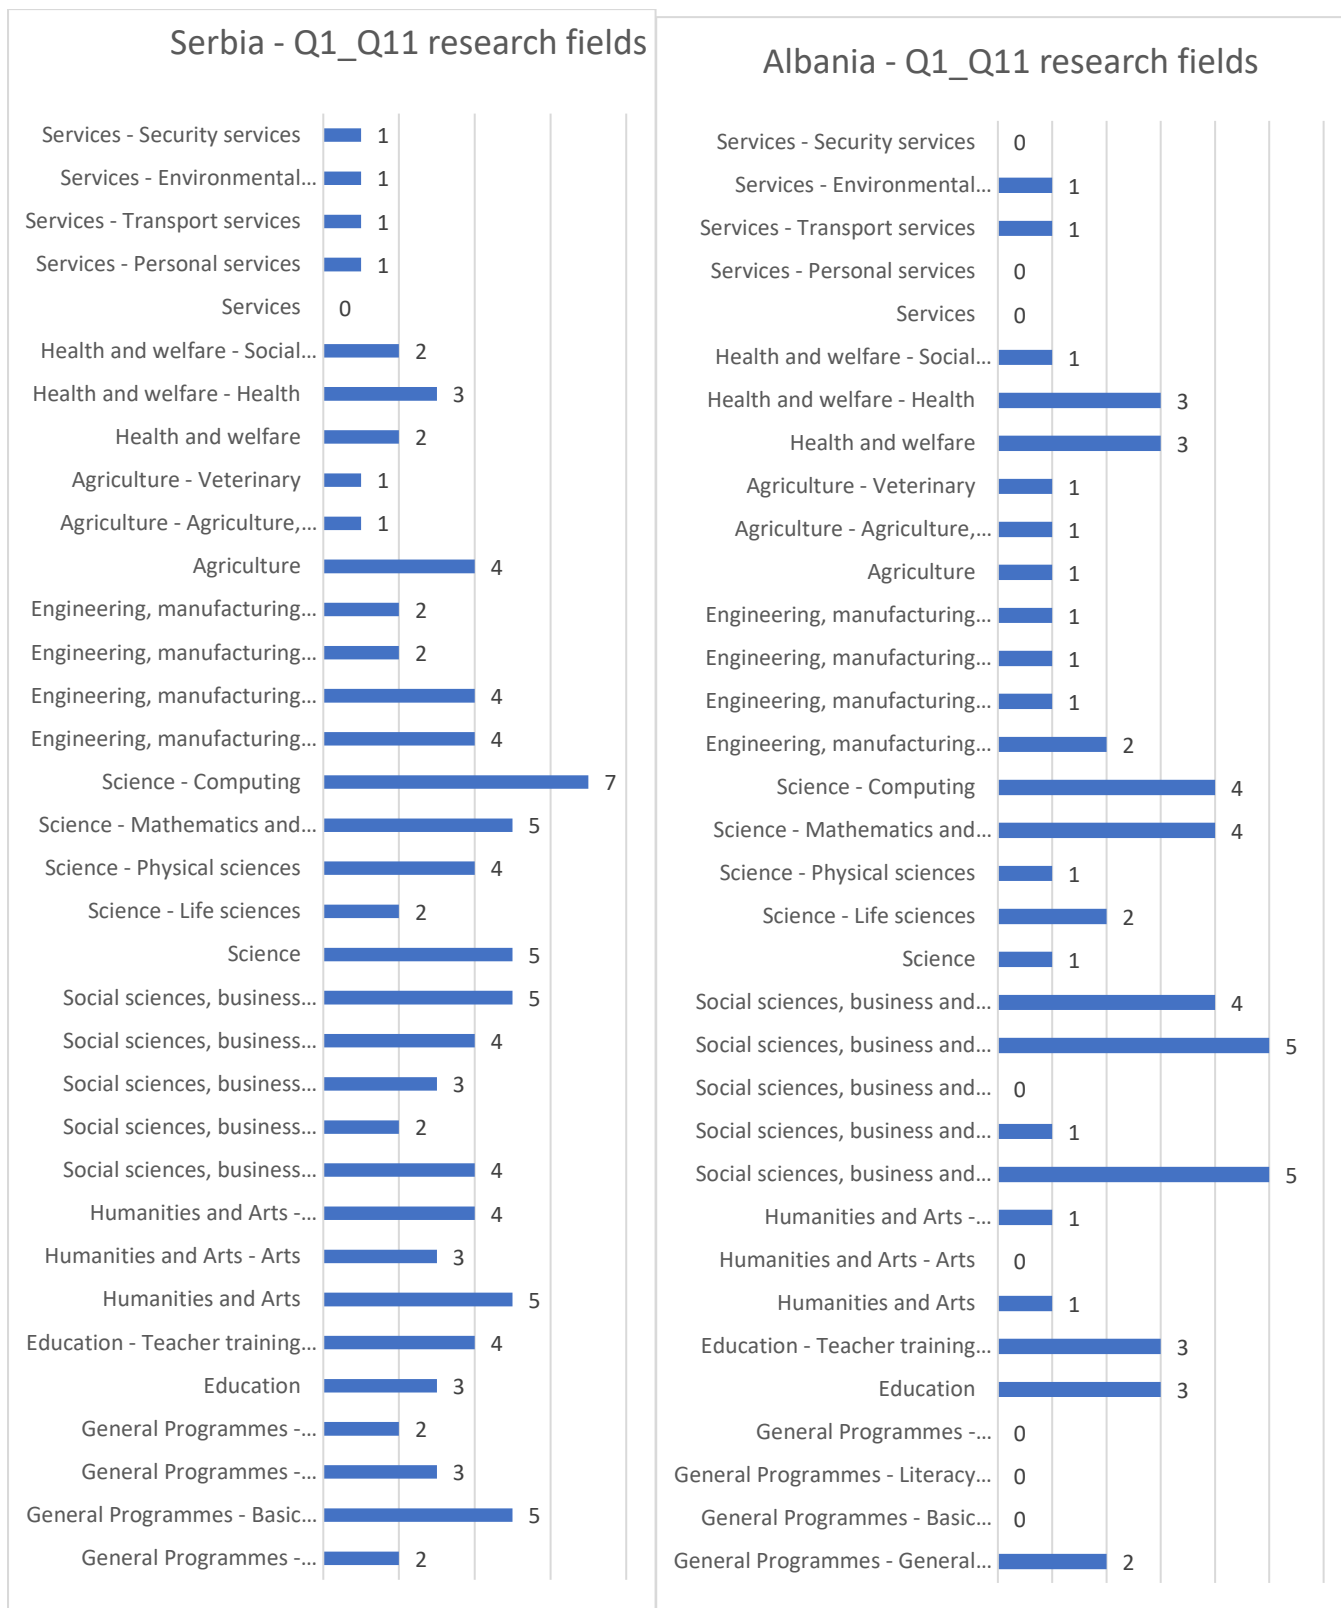

10. How would you describe the profile of your institution?

Harnessing the potential: Research Capacity in the Western Balkans.

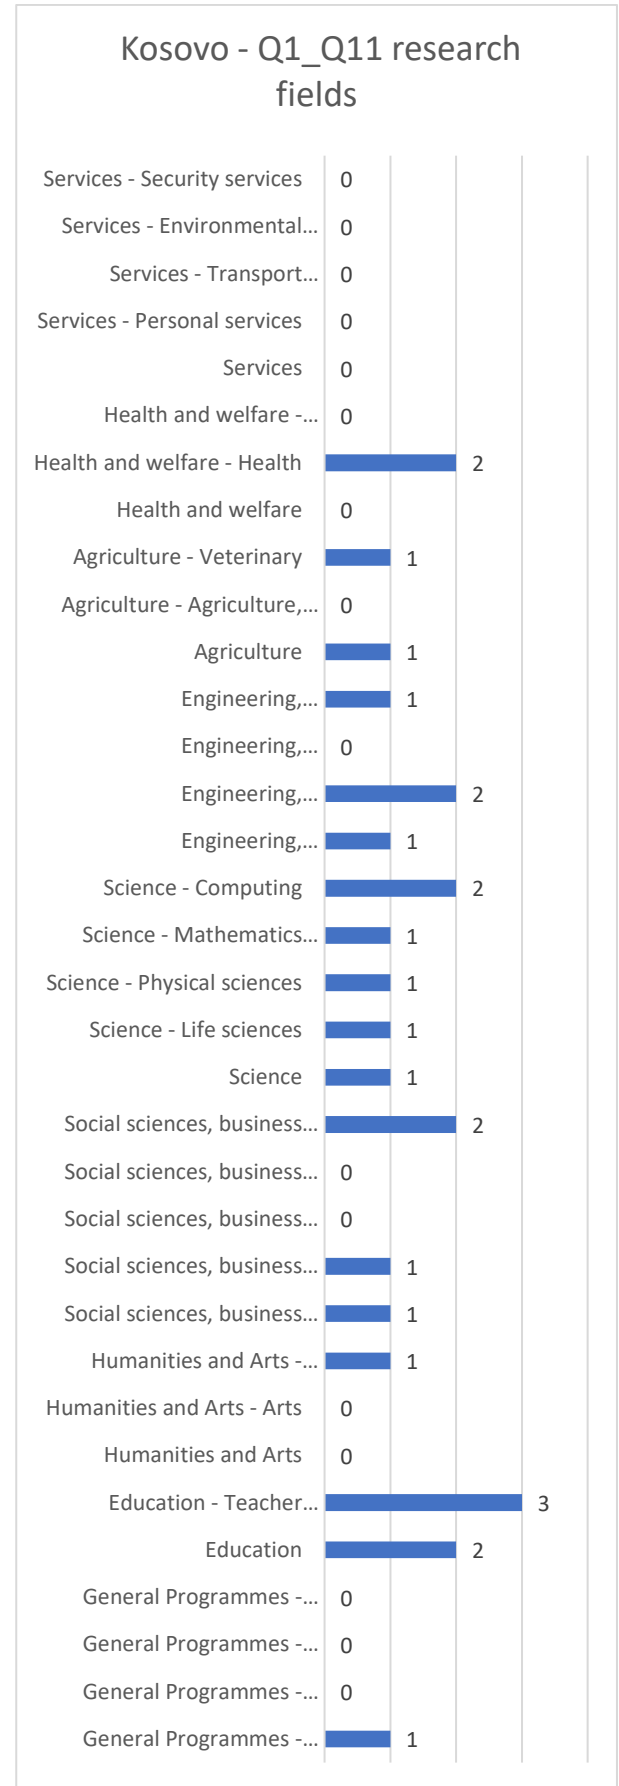

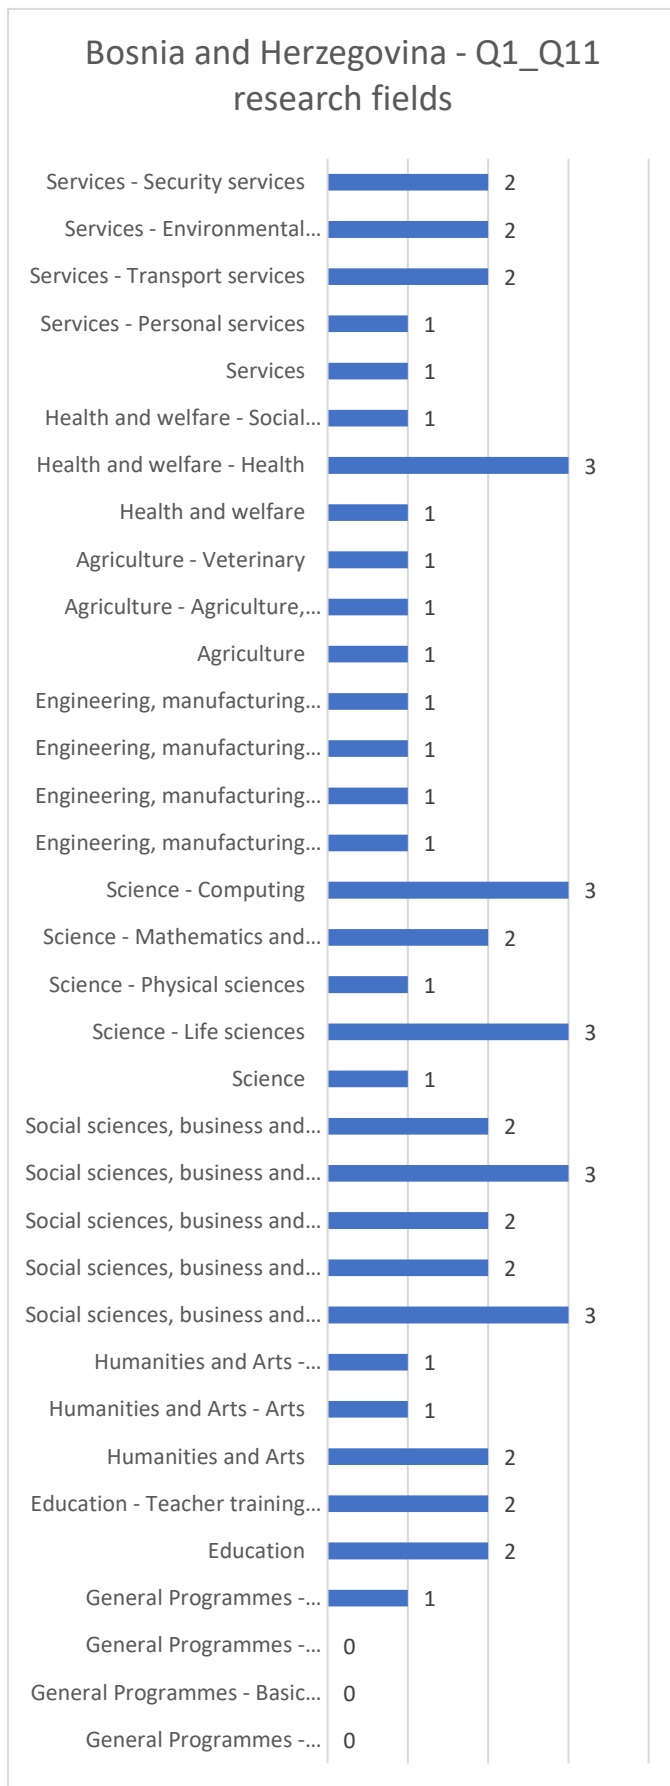

Data – questionnaire 1: institutional leadership.

11. Please select the areas and fields in which your institution is undertaking research activities:

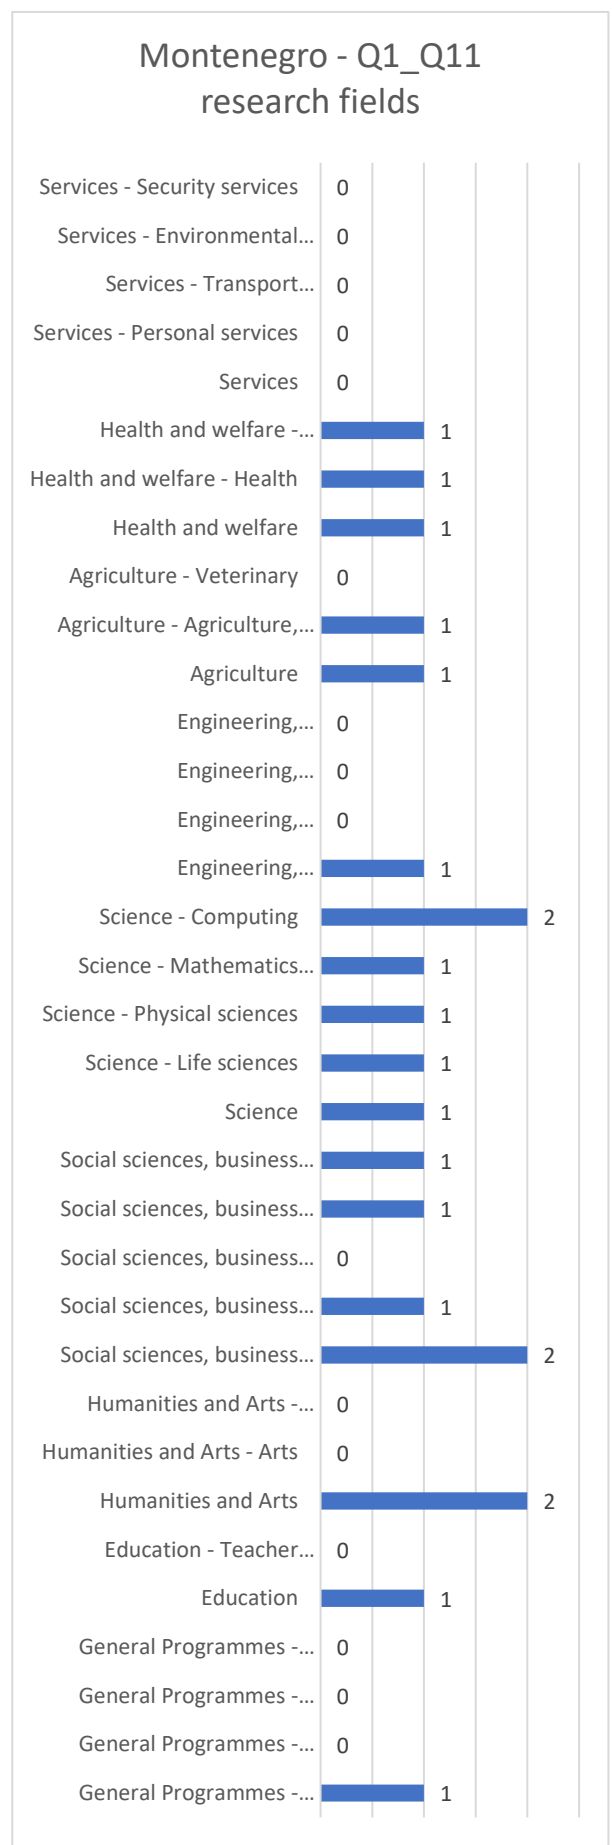

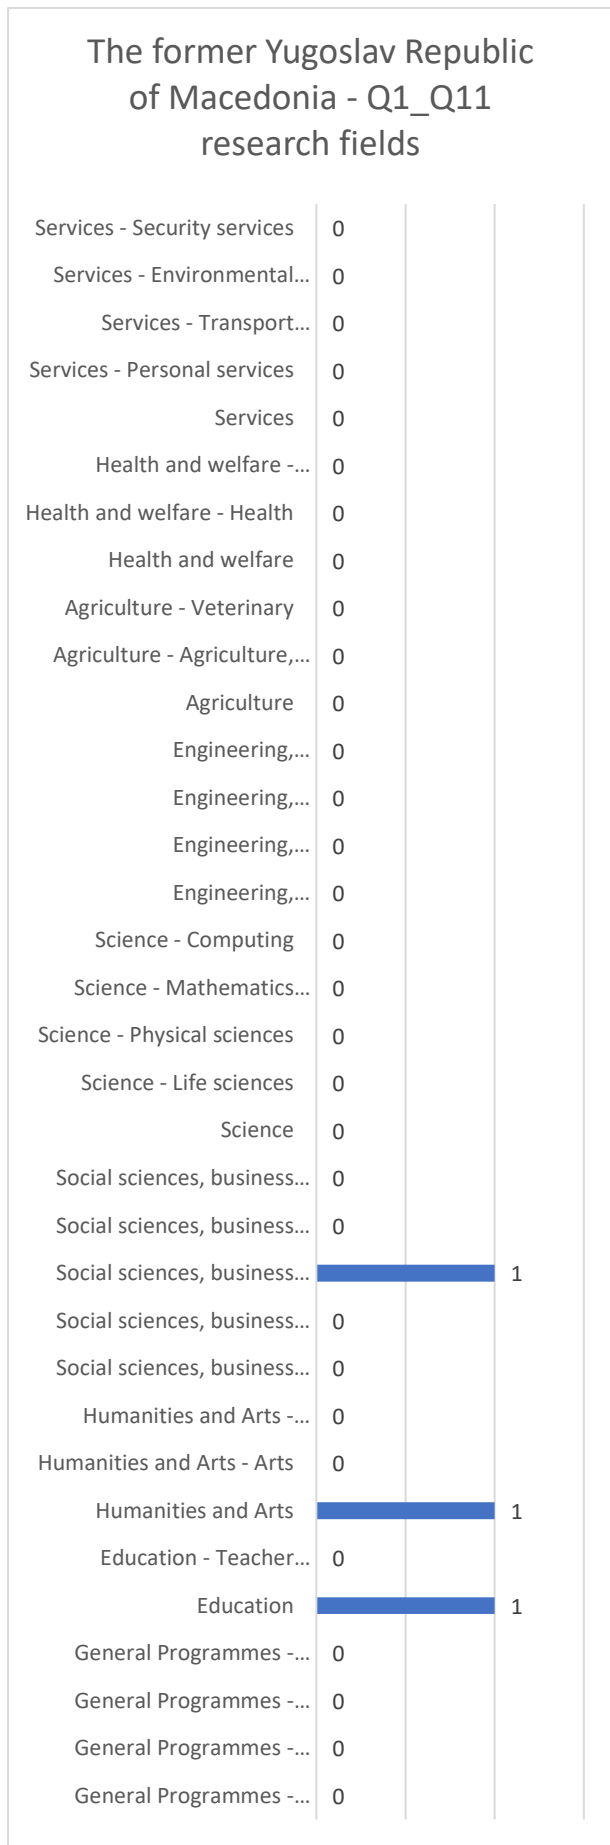

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

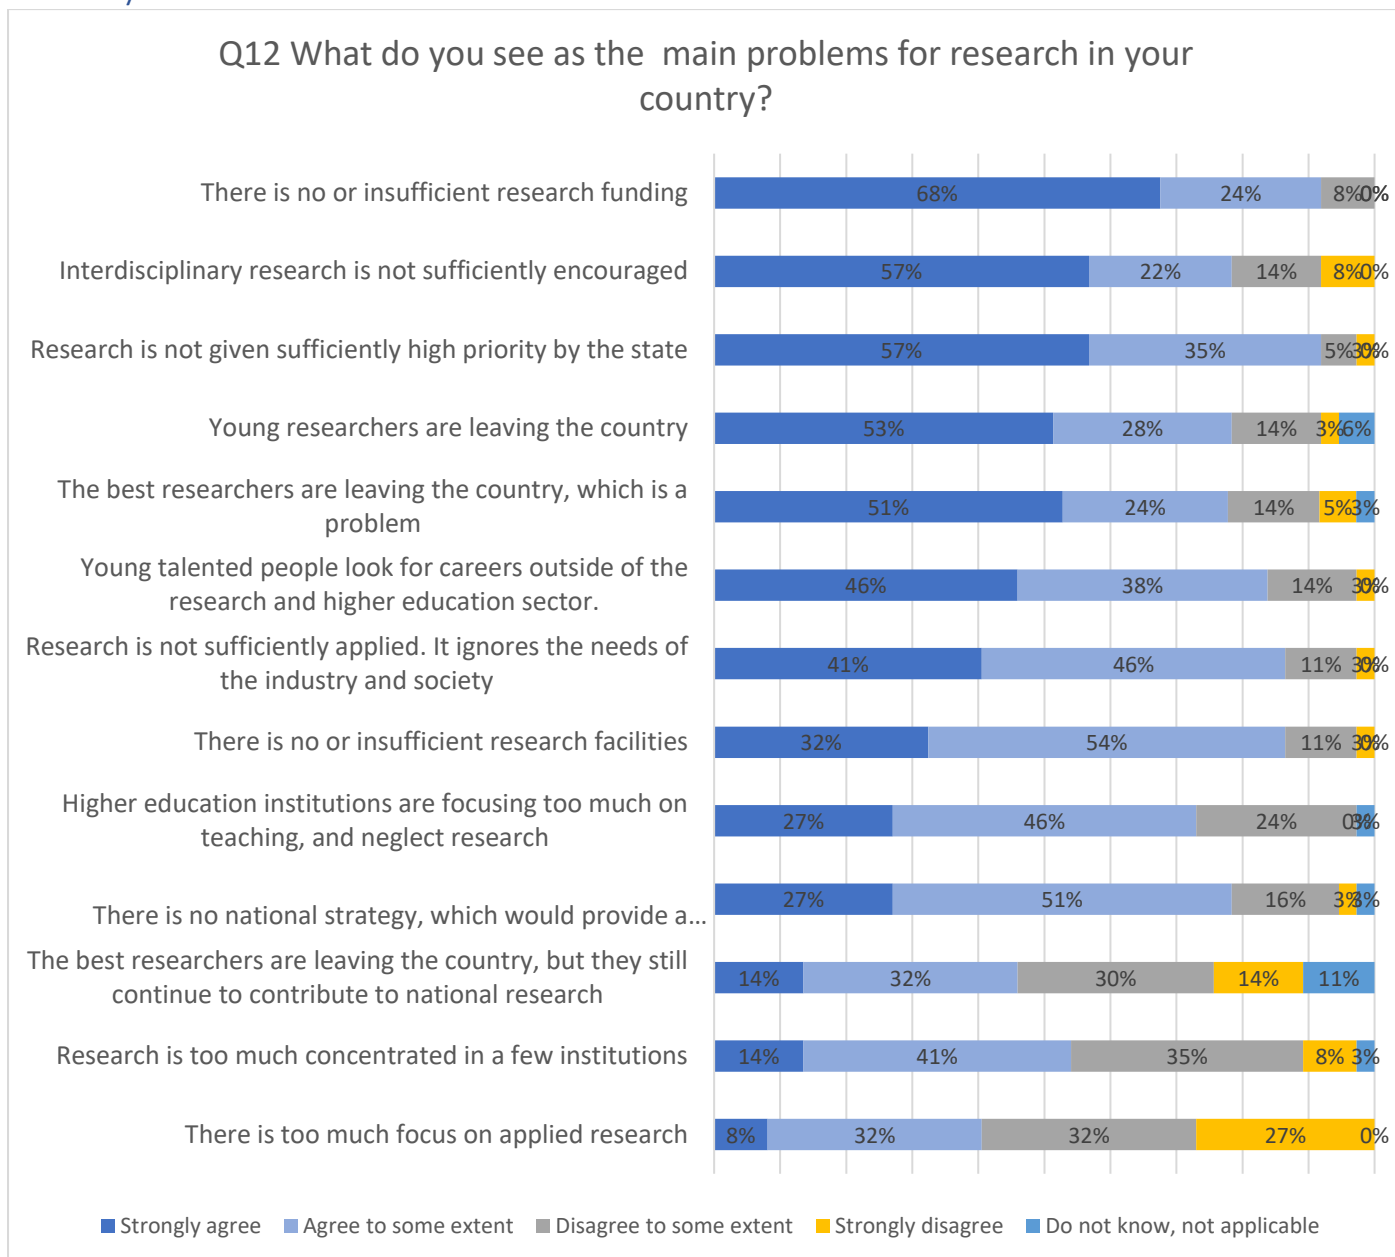

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

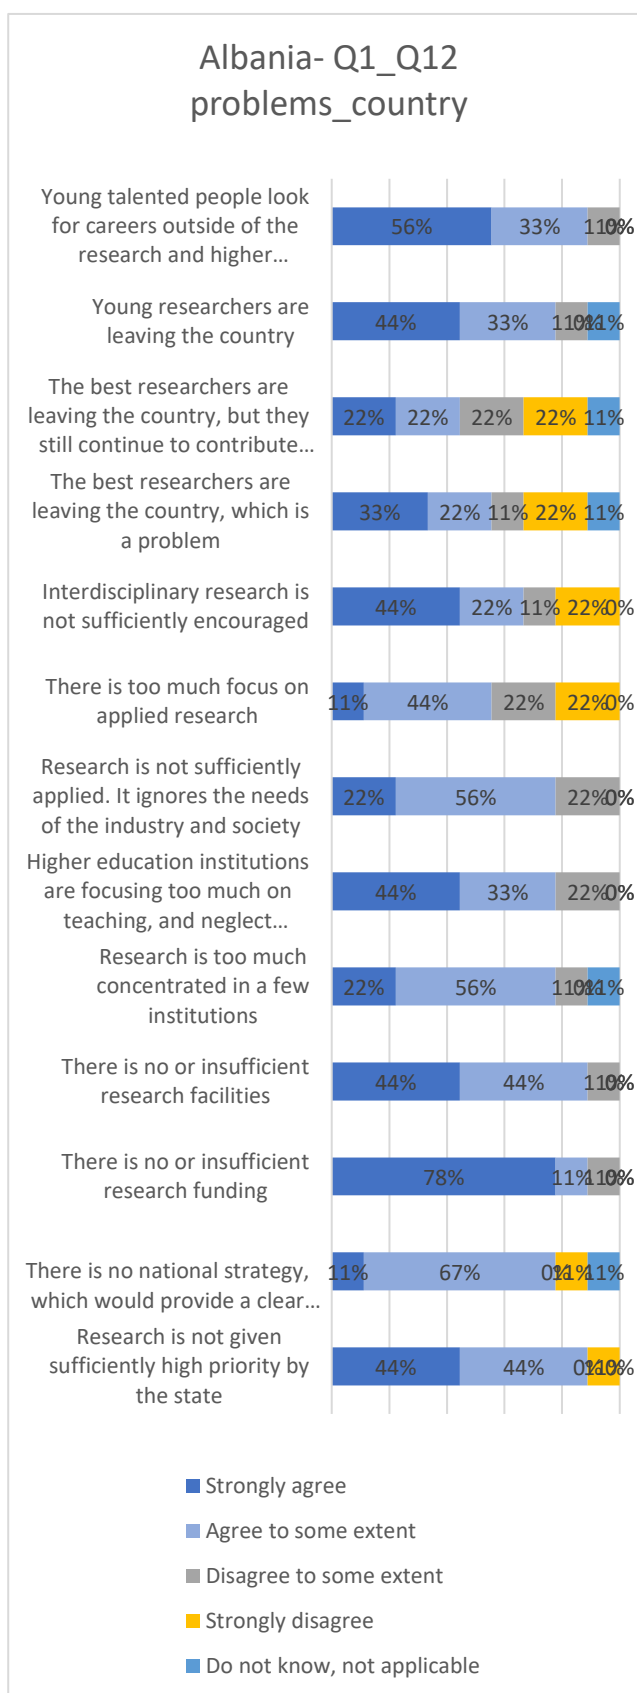

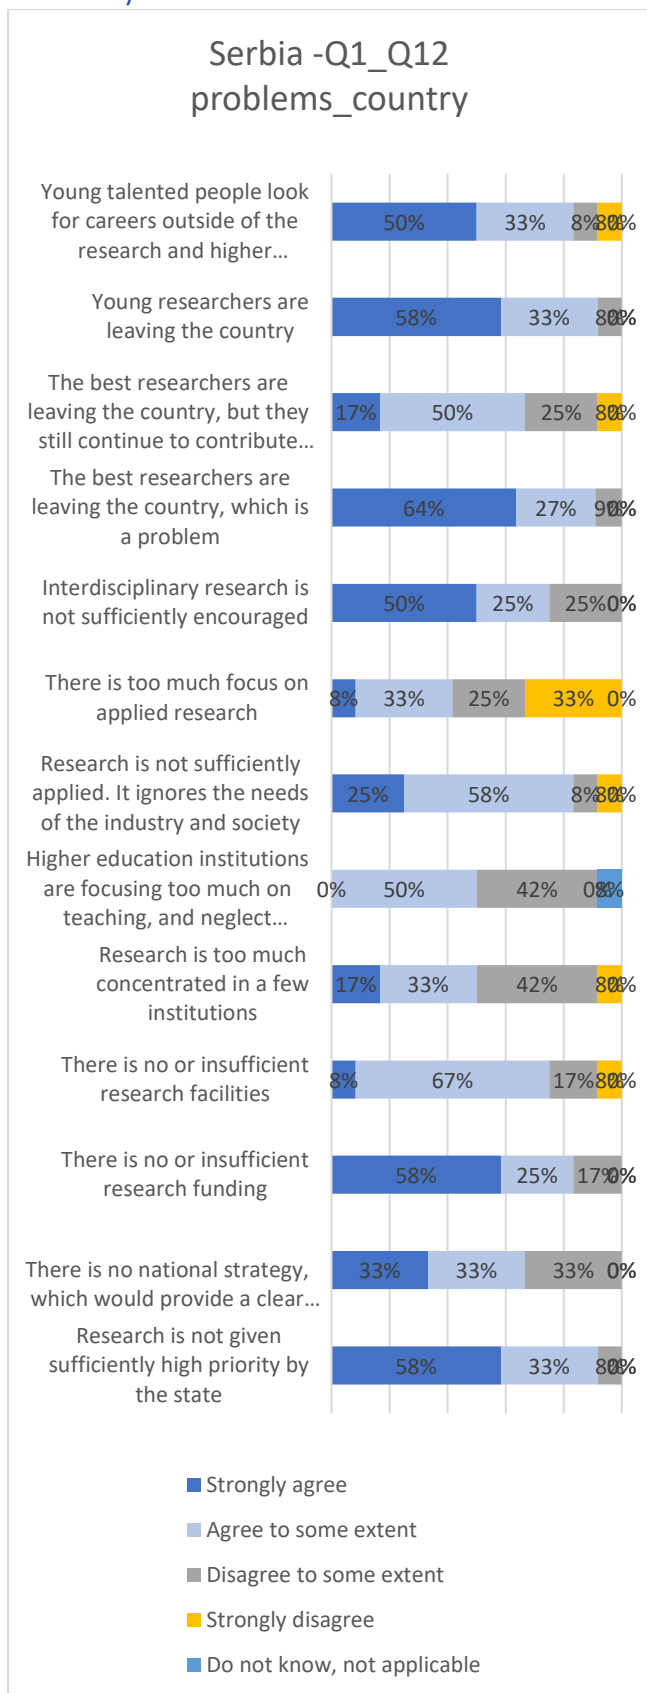

12. *aggregate*: What do you see as the main problems for research in your country?

Harnessing the potential: Research Capacity in the Western Balkans.

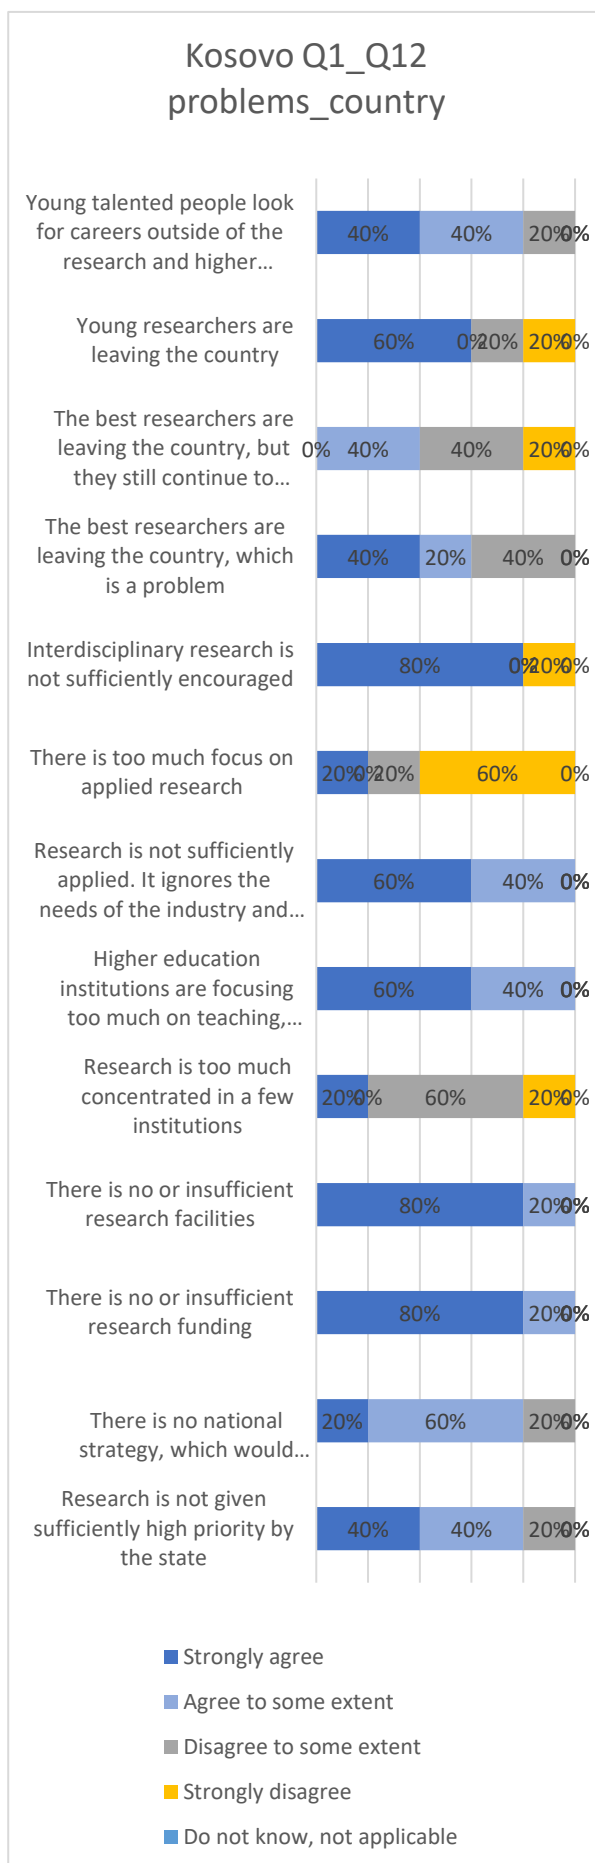

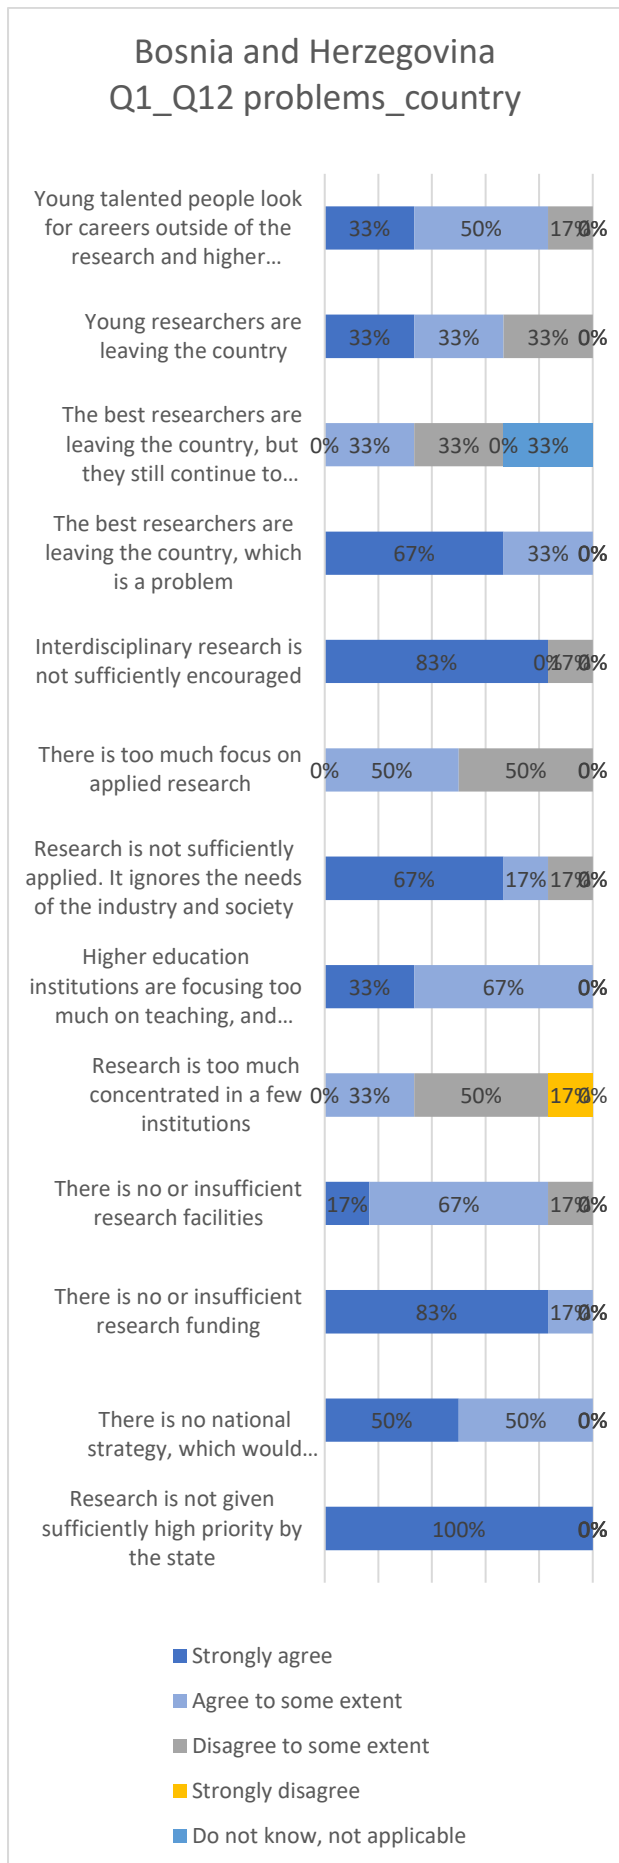

Data – questionnaire 1: institutional leadership.

12. by country: What do you see as the main problems for research in your country?

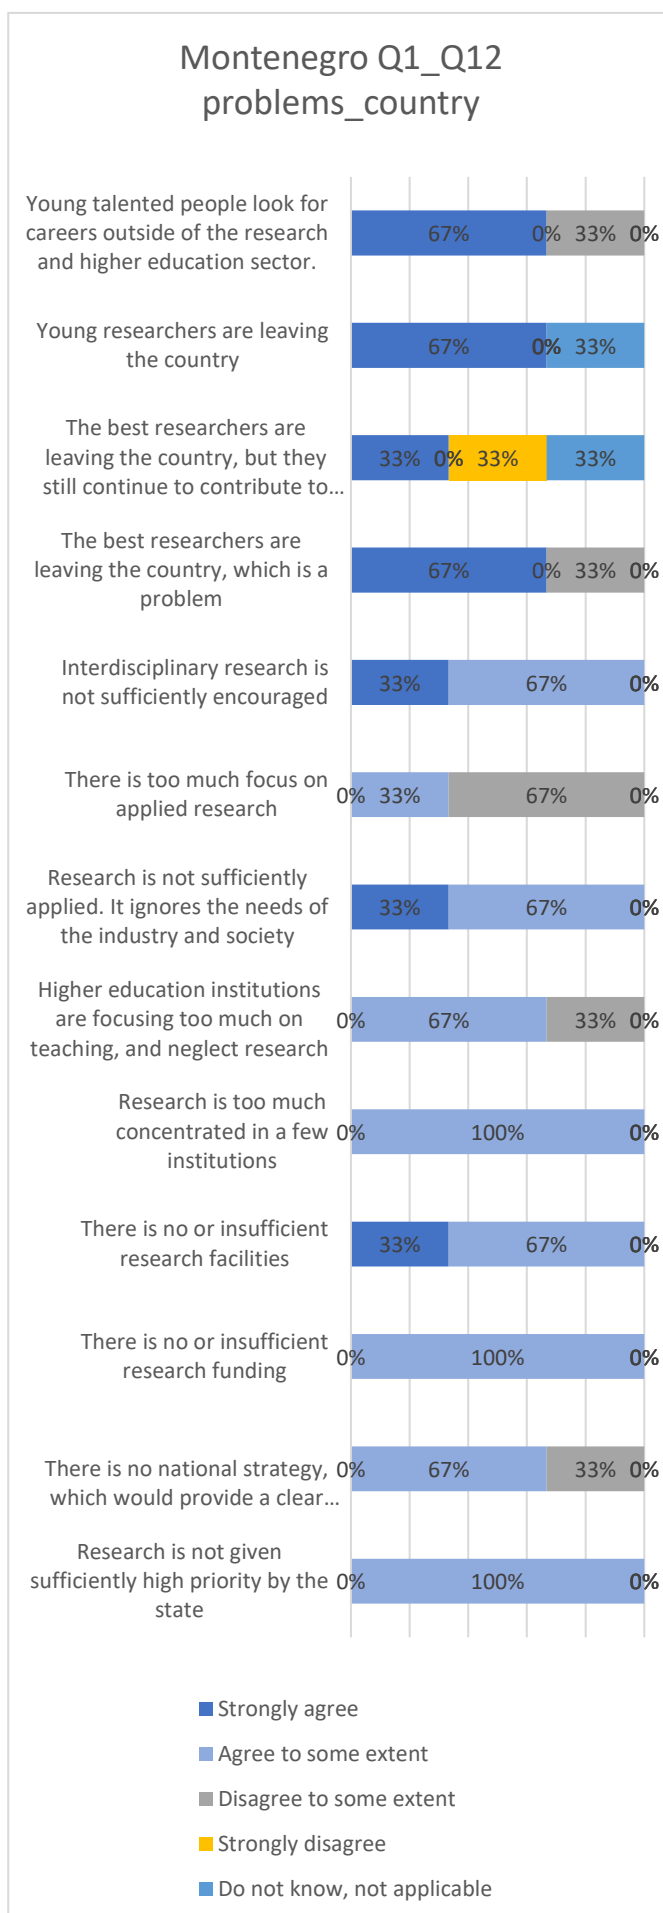

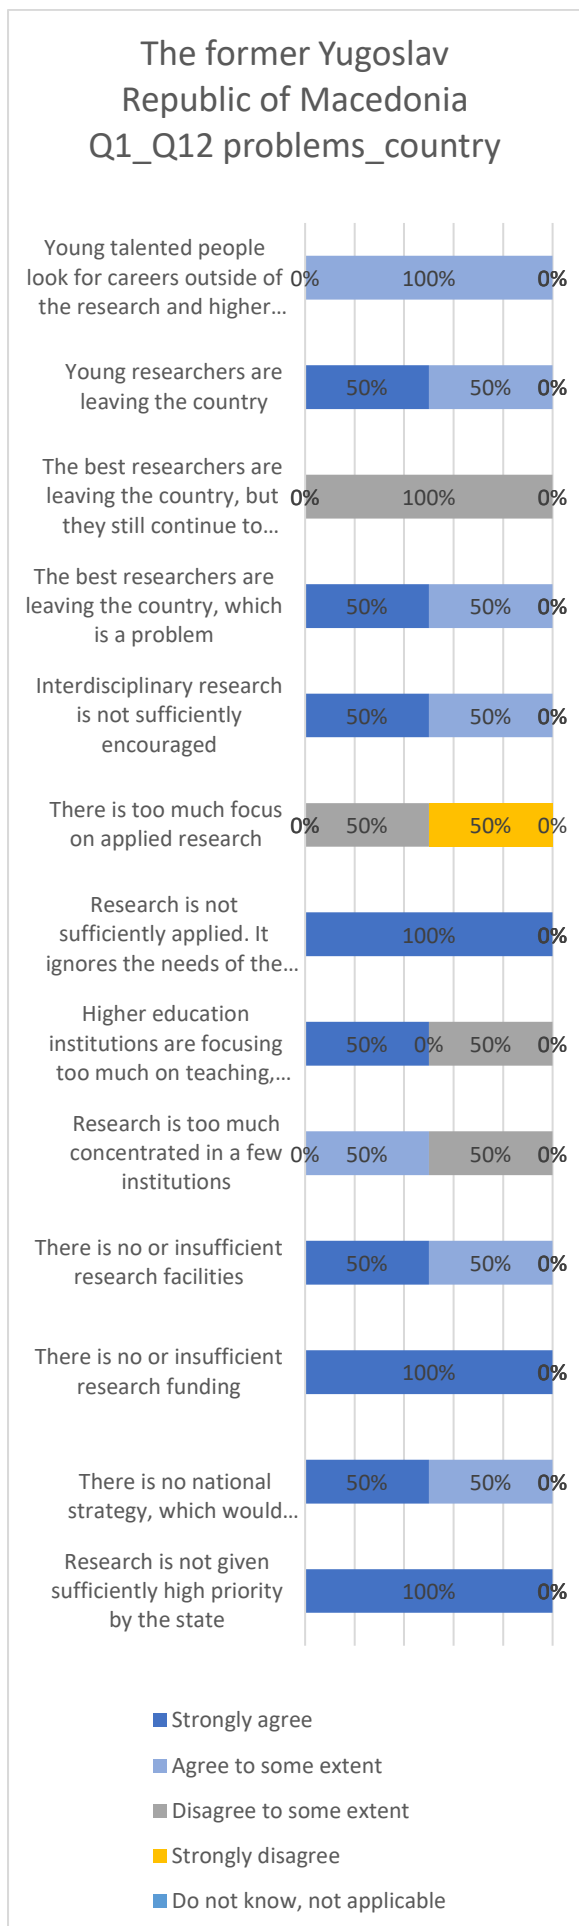

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

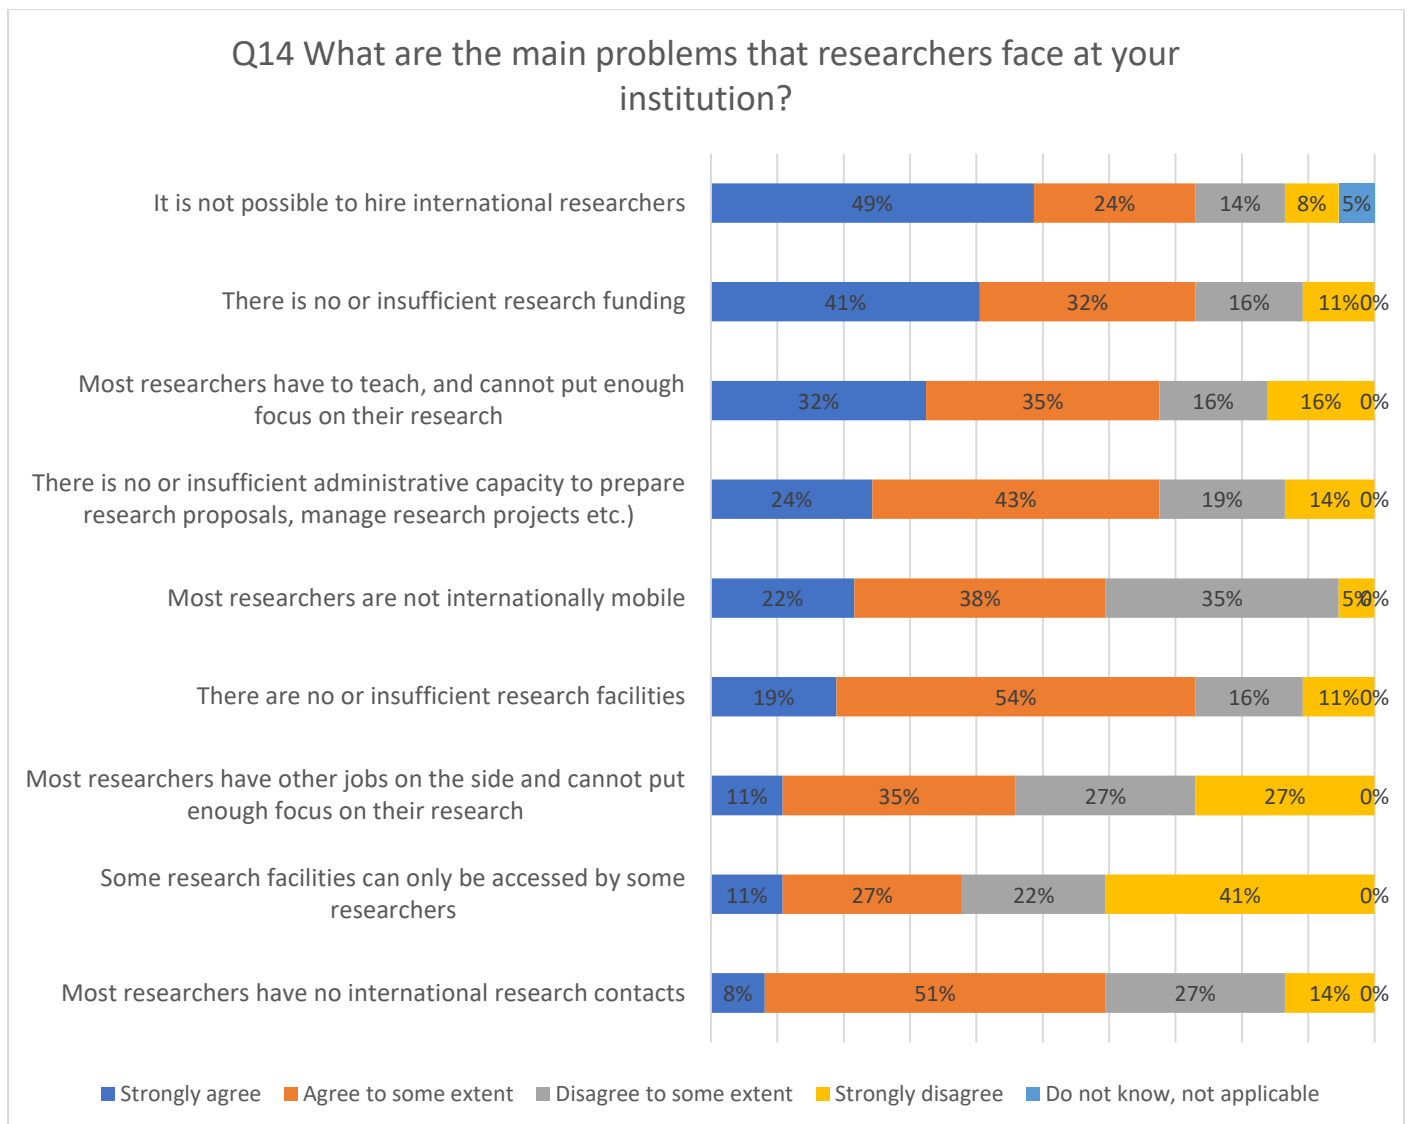

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

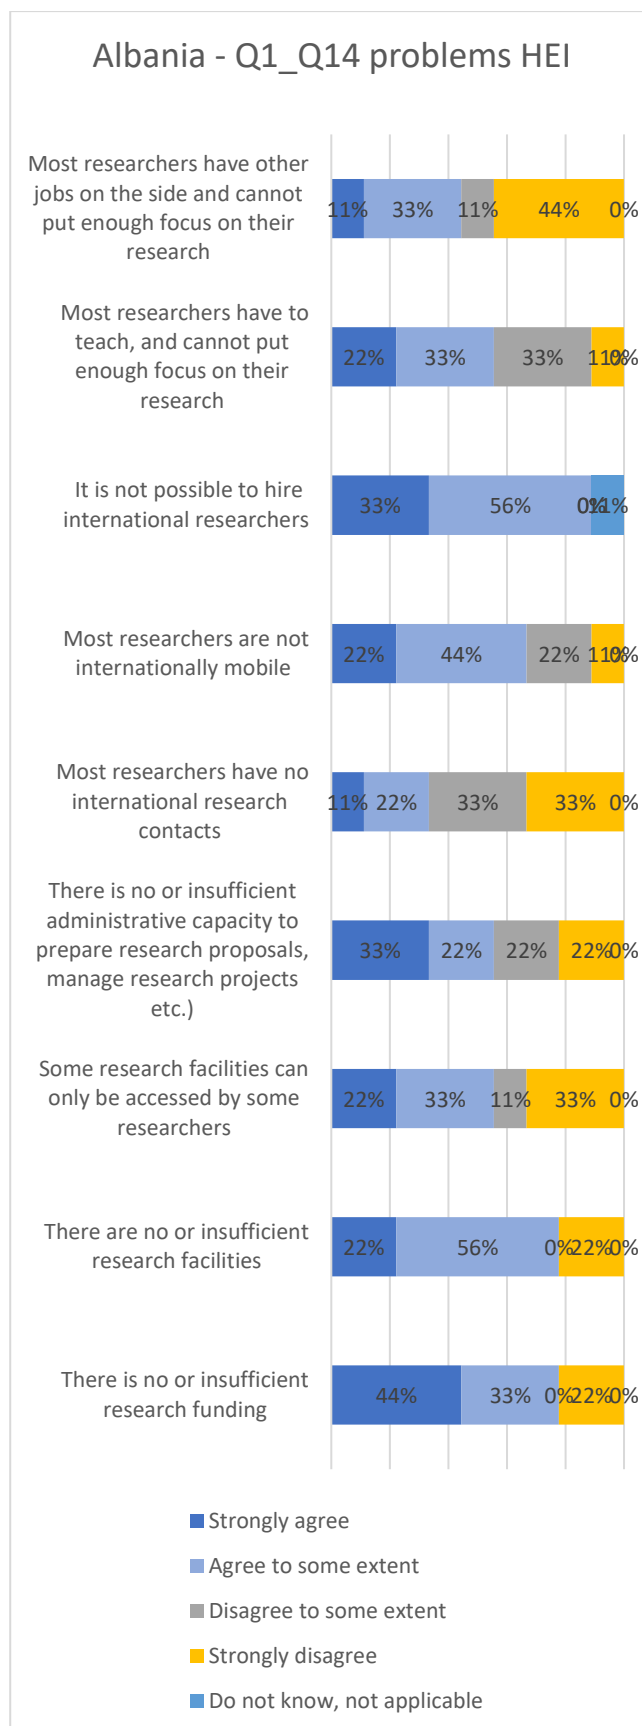

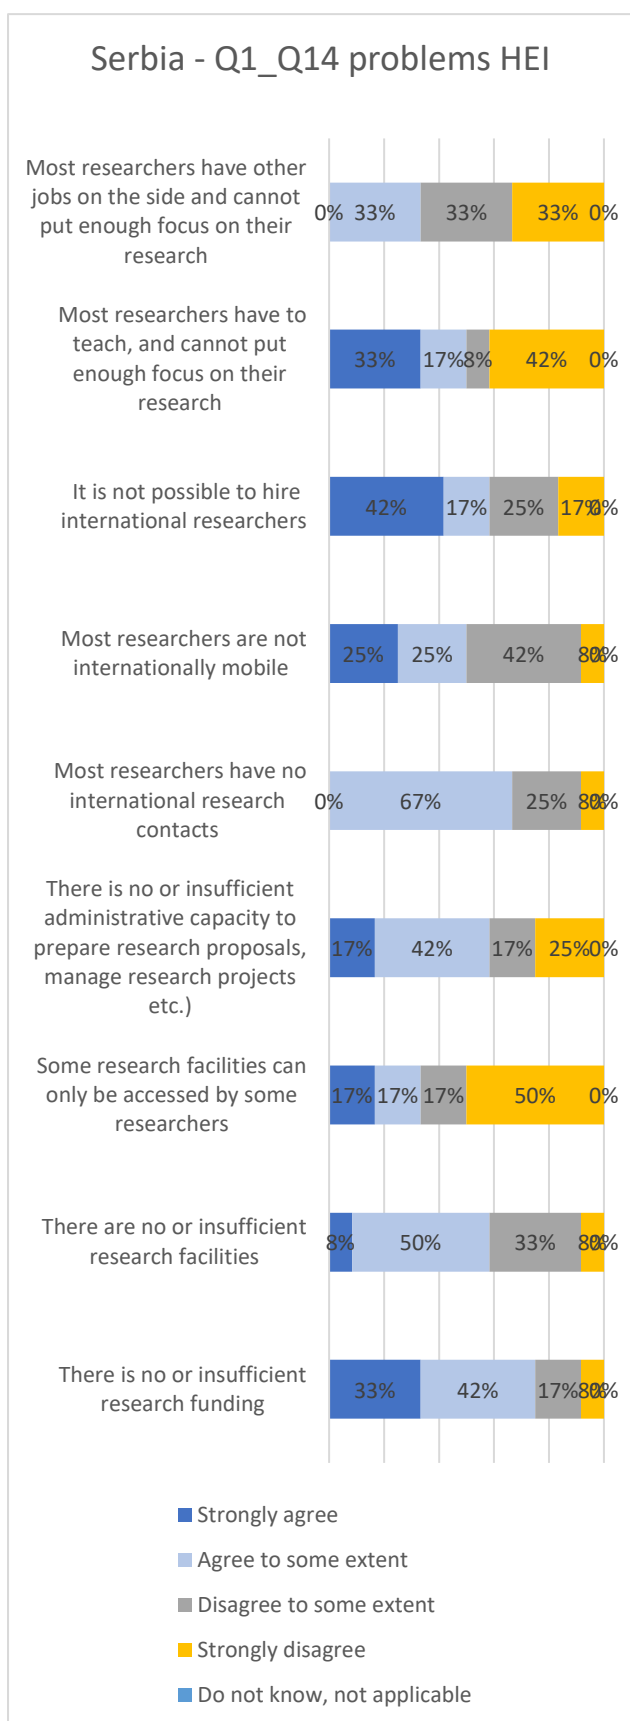

14. *aggregate*: What are the main problems that researchers face at your institution?

Harnessing the potential: Research Capacity in the Western Balkans.

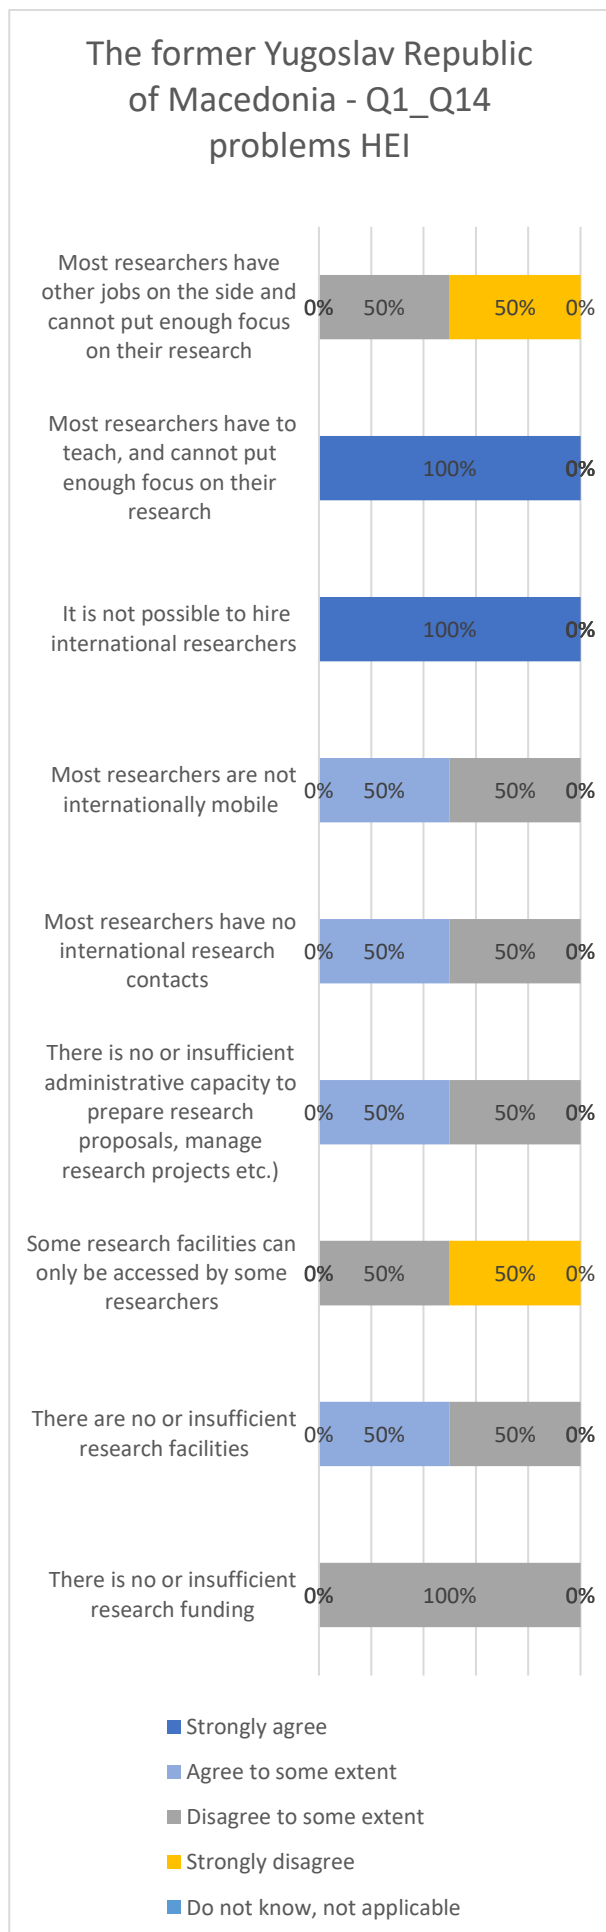

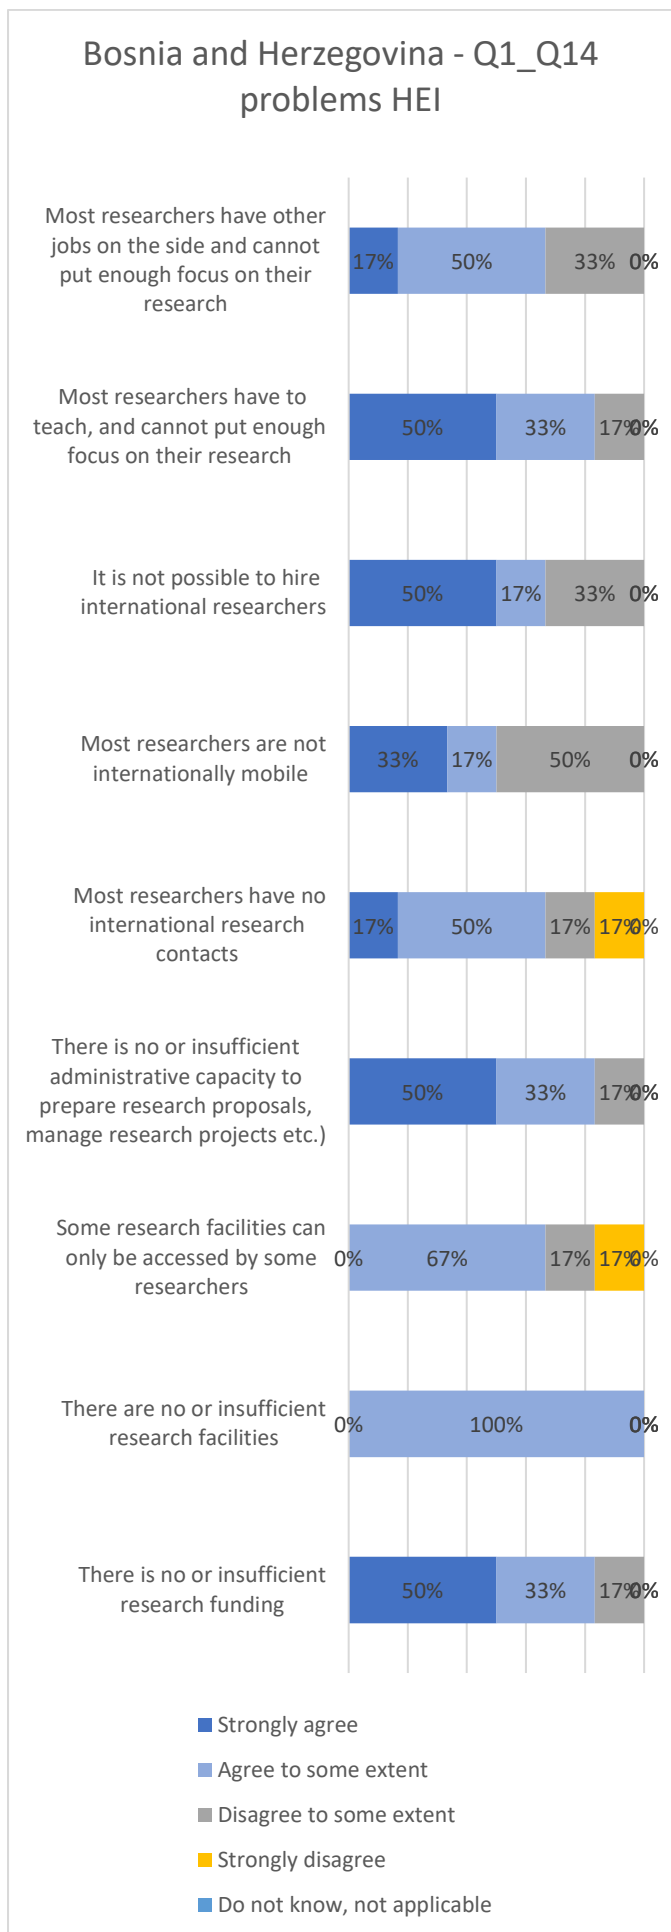

Data – questionnaire 1: institutional leadership.

14. by country: What are the main problems that researchers face at your institution?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

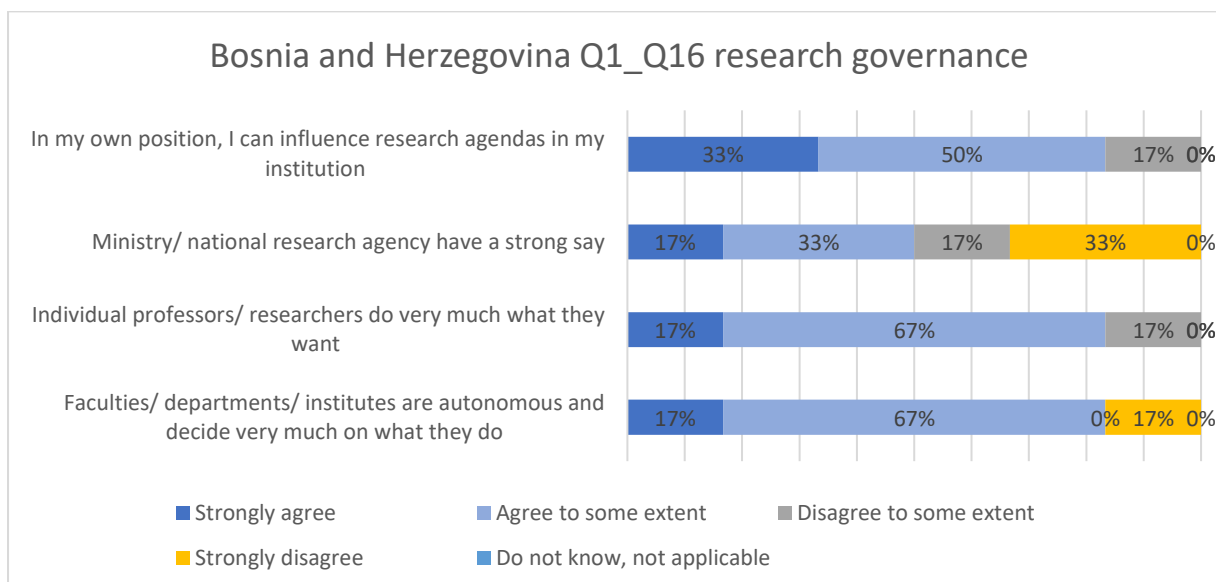

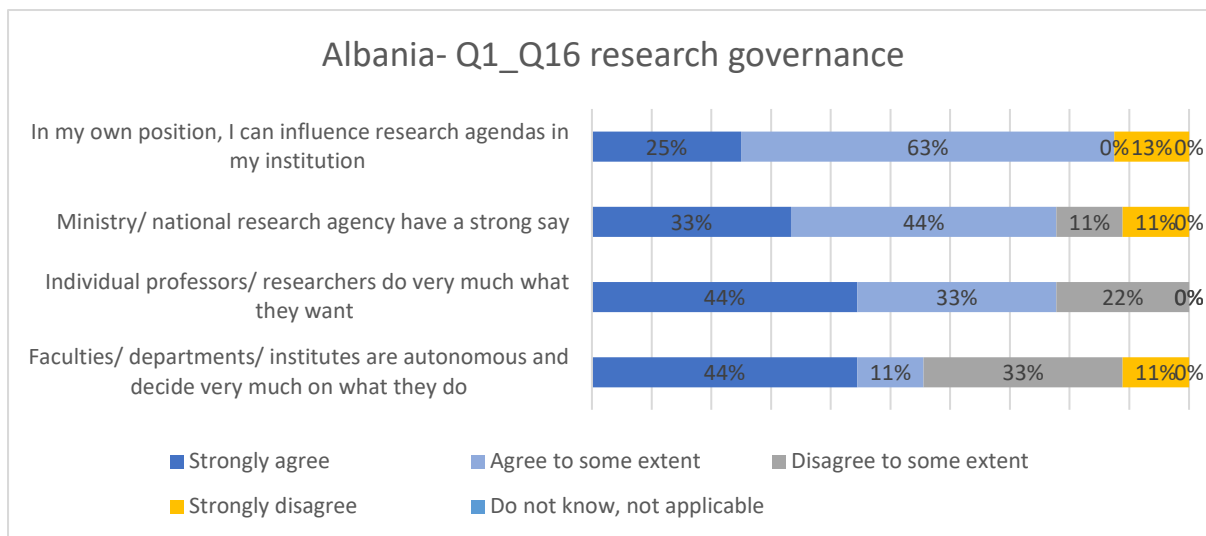

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

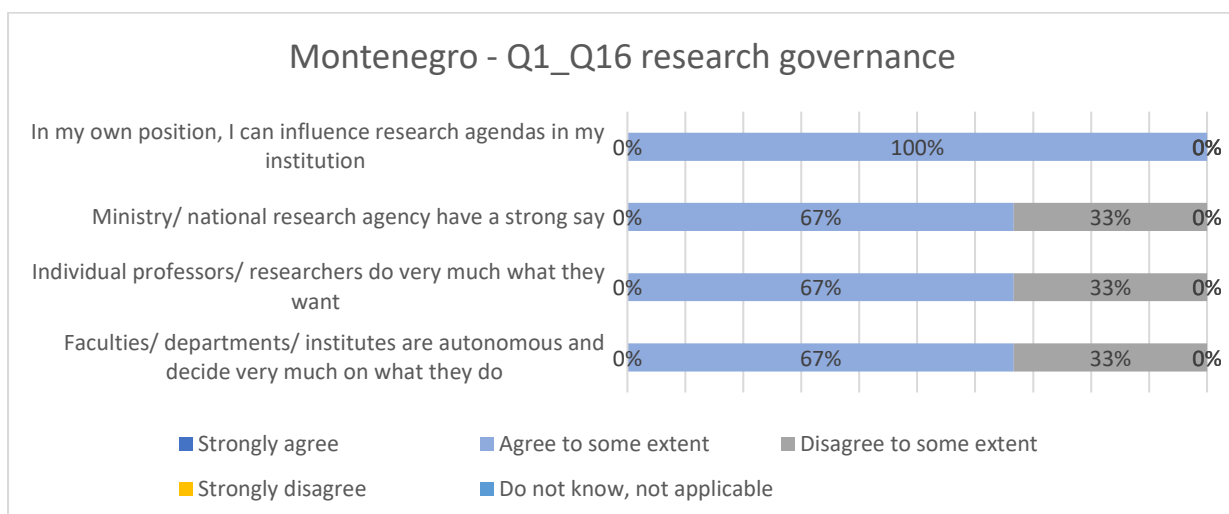

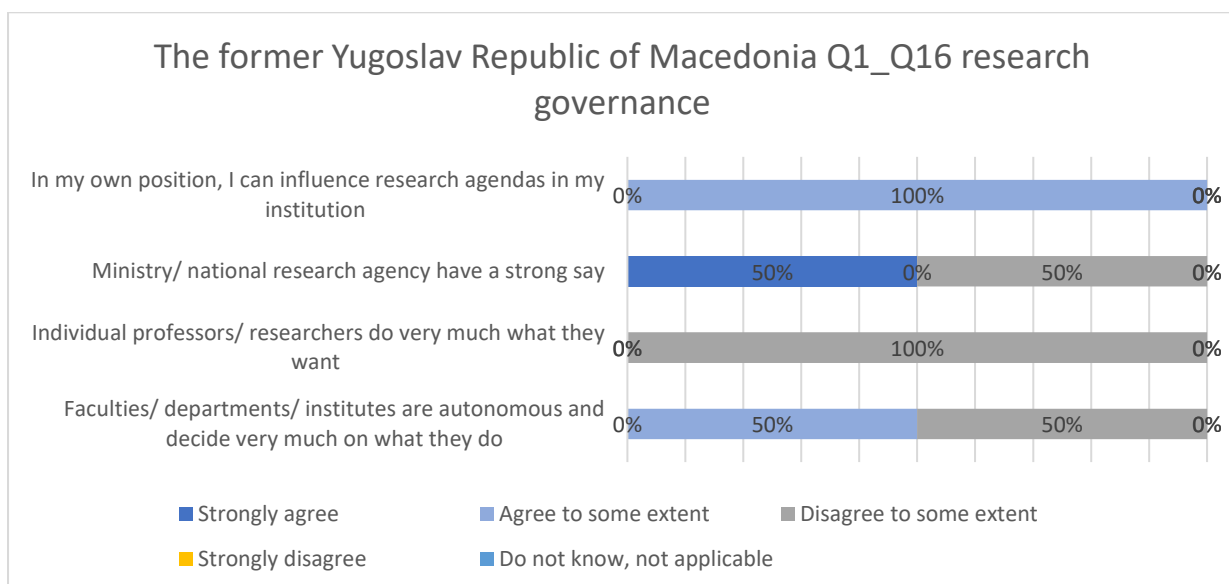

Data – questionnaire 1: institutional leadership.

16. How would you describe research governance in your country?

Harnessing the potential: Research Capacity in the Western Balkans.

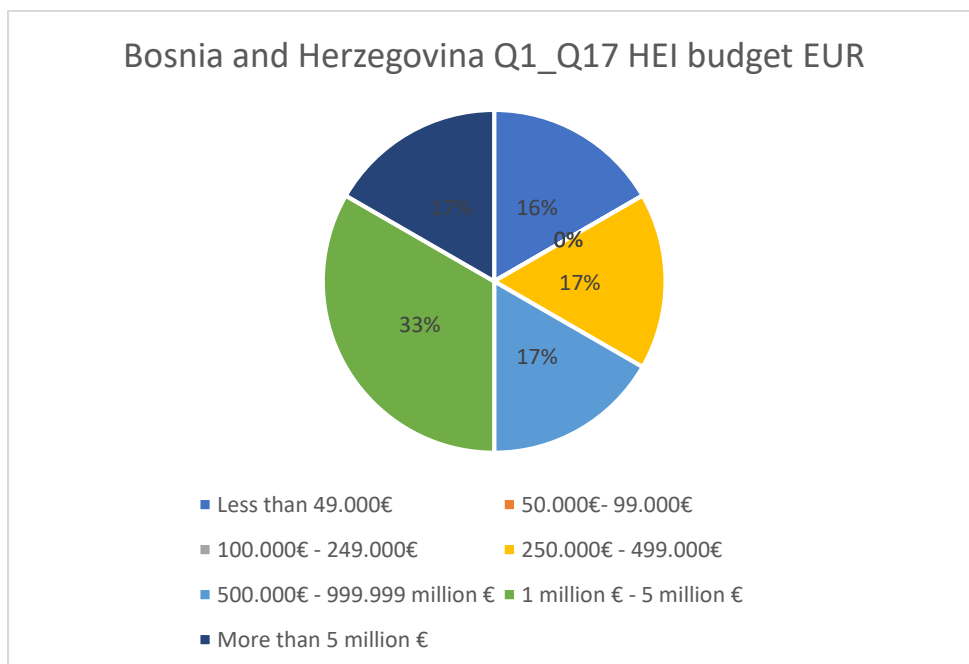

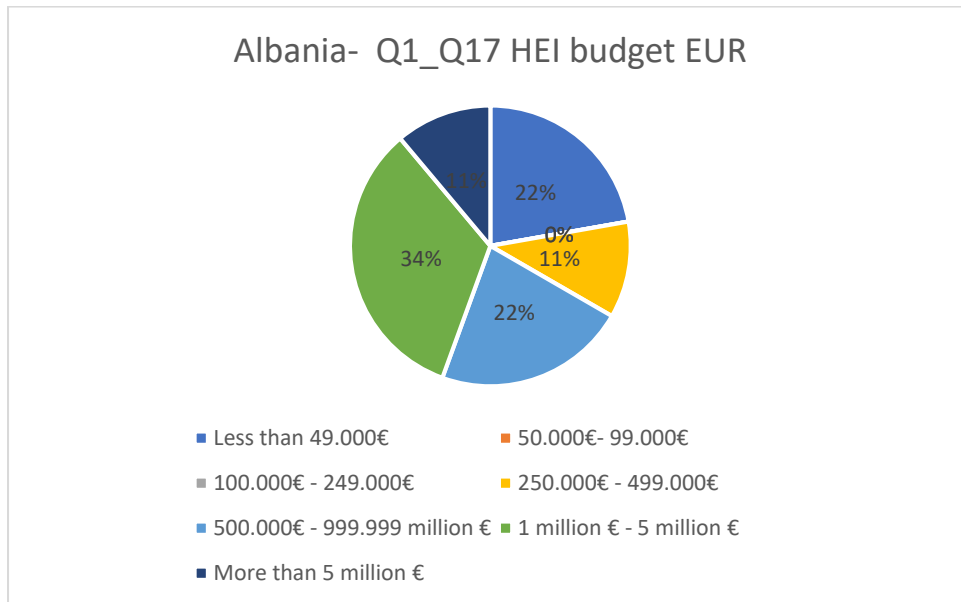

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

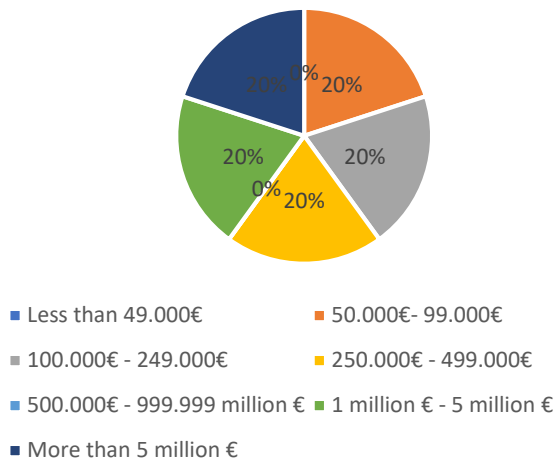

17. Please indicate the approximate overall budget of your institution in Euro (€) for the year 2016.

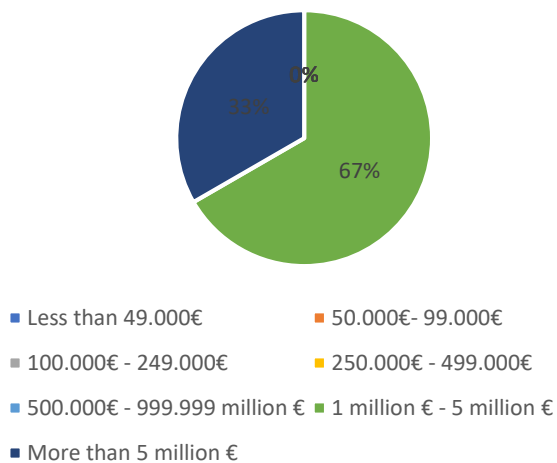

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

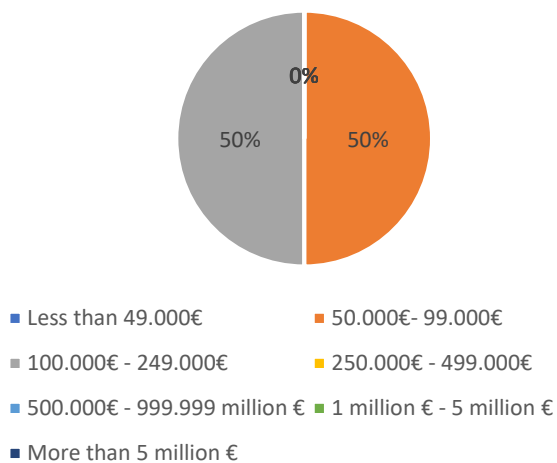

Kosovo Q1_Q17 HEI budget EUR

Montenegro Q1_Q17 HEI budget EUR

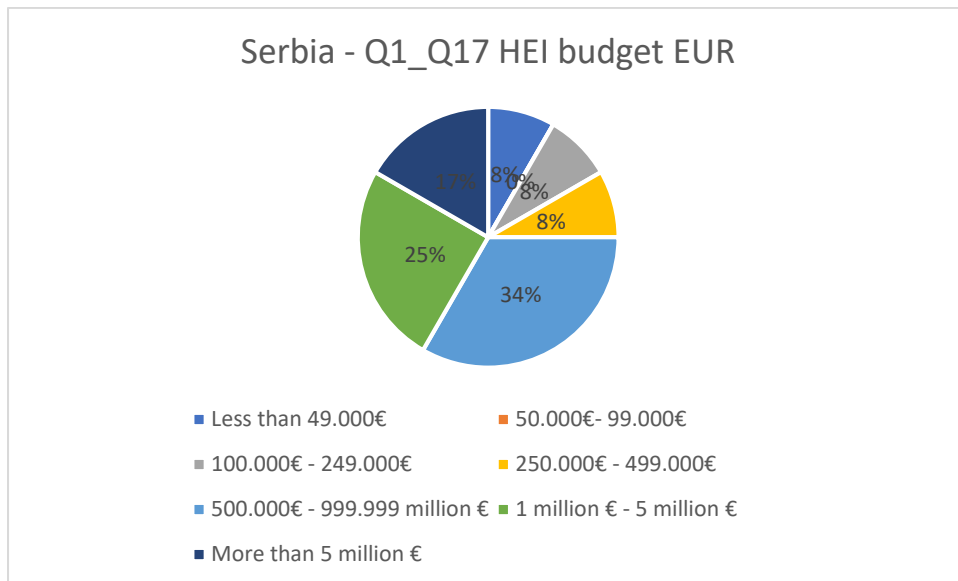

FYROM Q1_Q17 HEI budget EUR

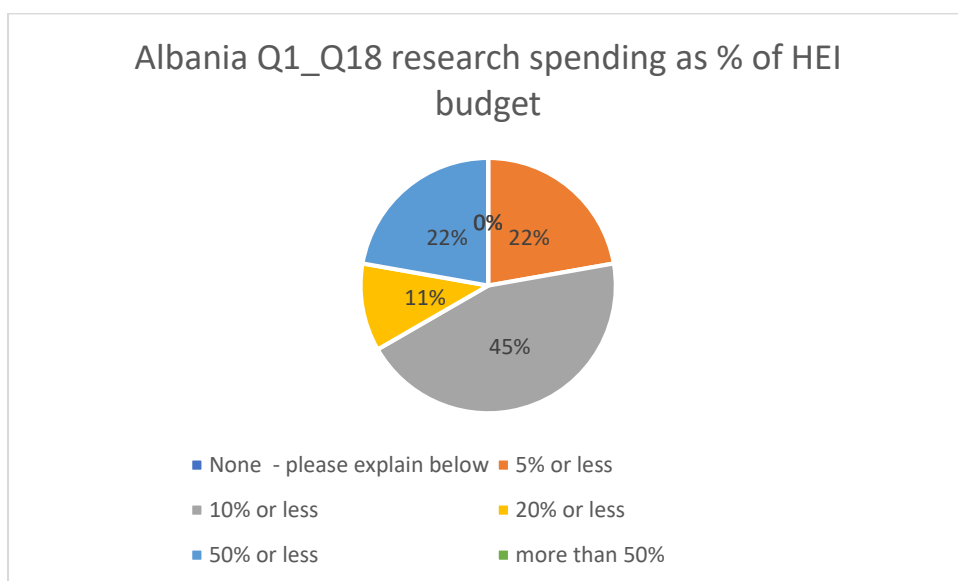

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

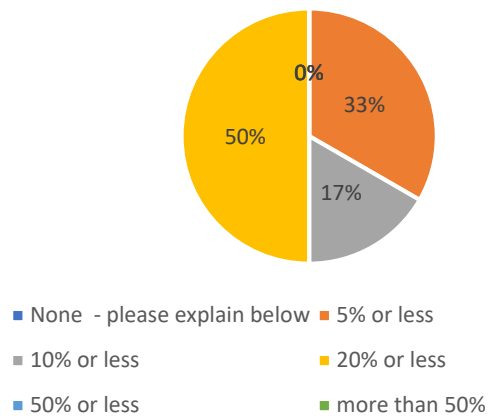

18. Approximately how much of this budget is to finance research activities?

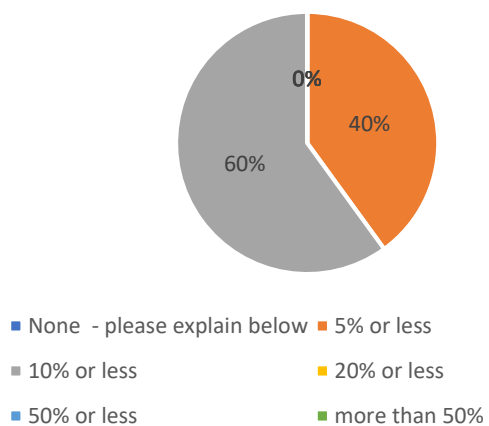

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

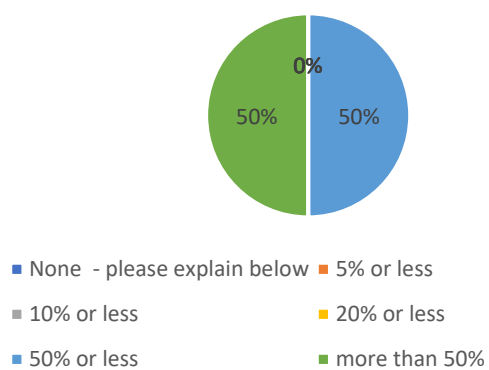

Bosnia and Herzegovina Q1_Q18 research spending as % of HEI budget

Kosovo Q1_Q18 research spending as % of HEI budget

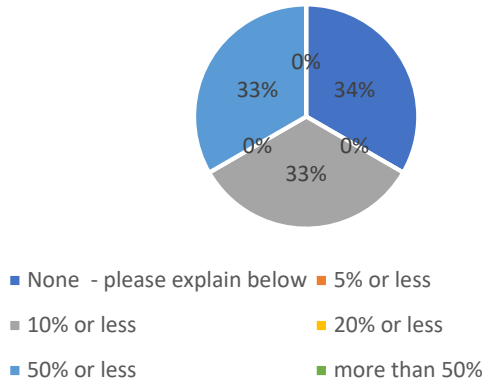

FRYOM Q1_Q18 research spending as % of HEI budget

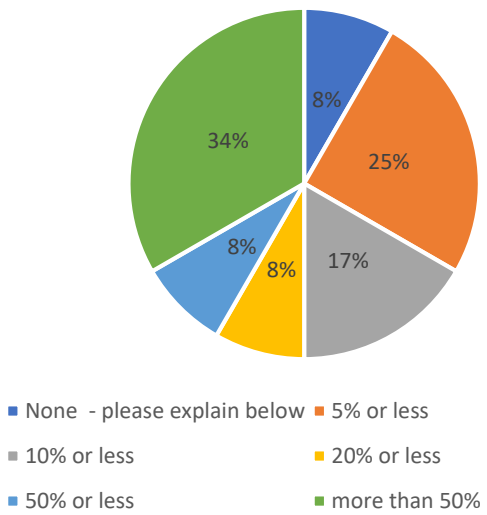

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

Montenegro Q1_Q18 research spending as % of HEI budget

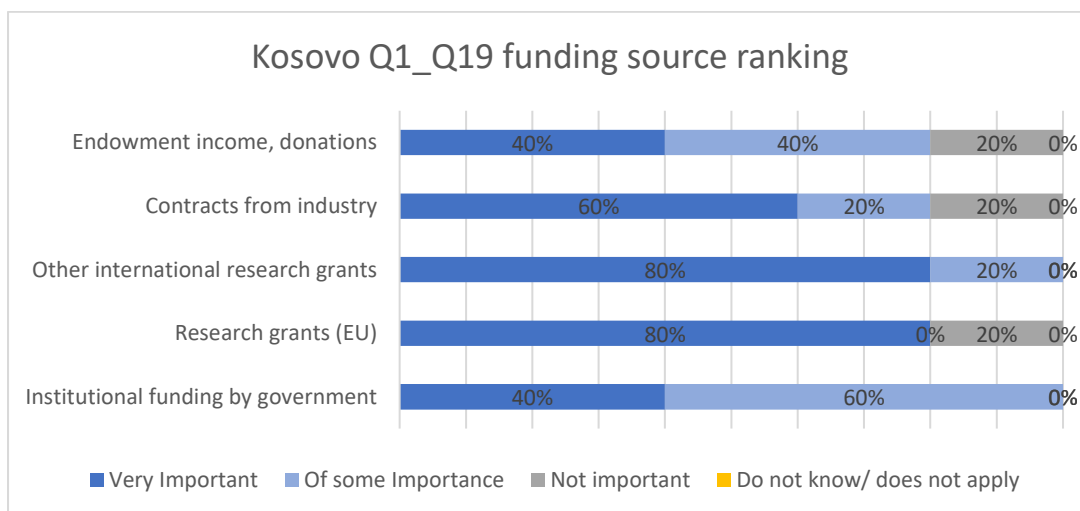

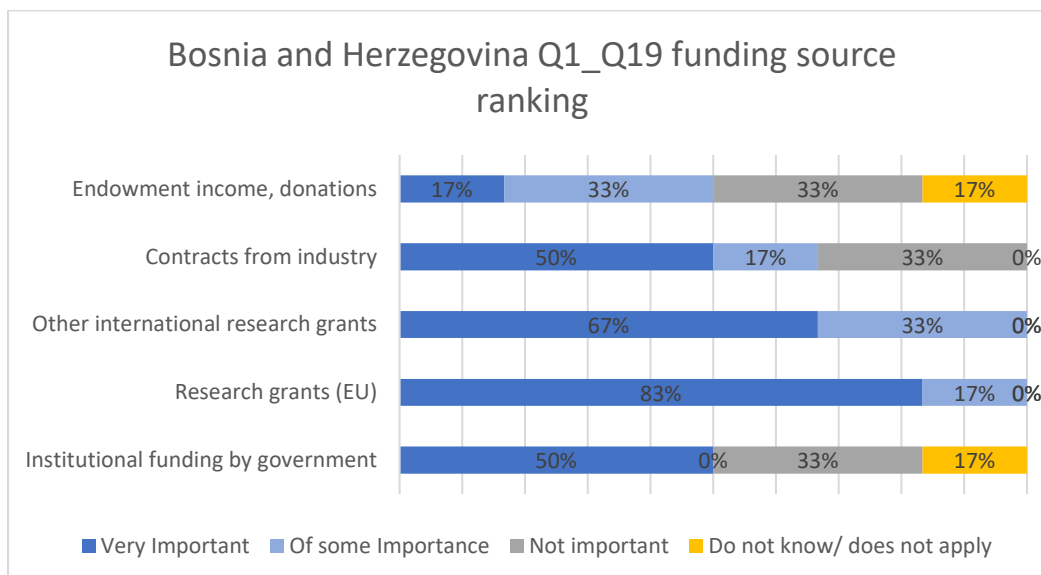

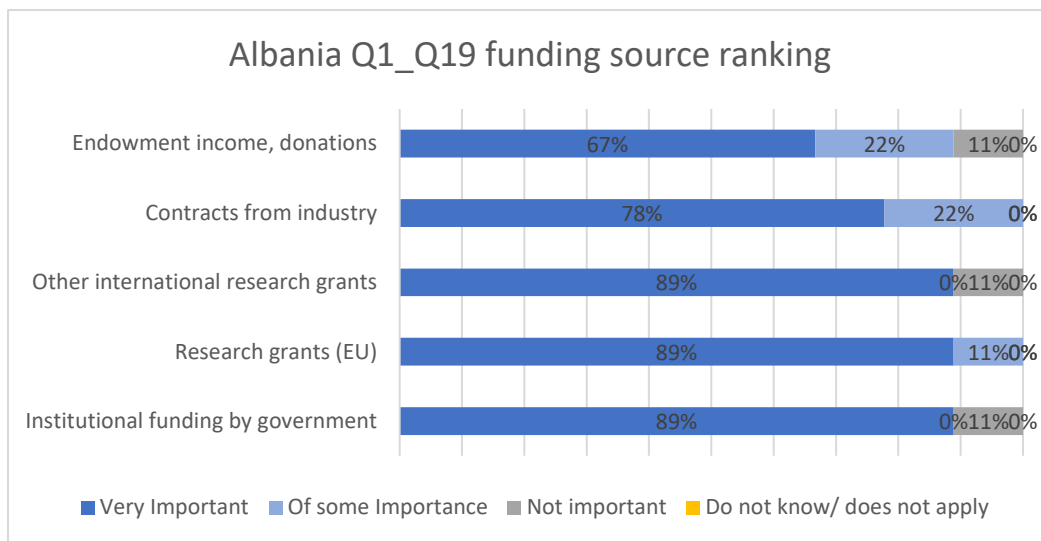

Serbia- Q1_Q18 research spending as % of HEI budget

Harnessing the potential: Research Capacity in the Western Balkans.

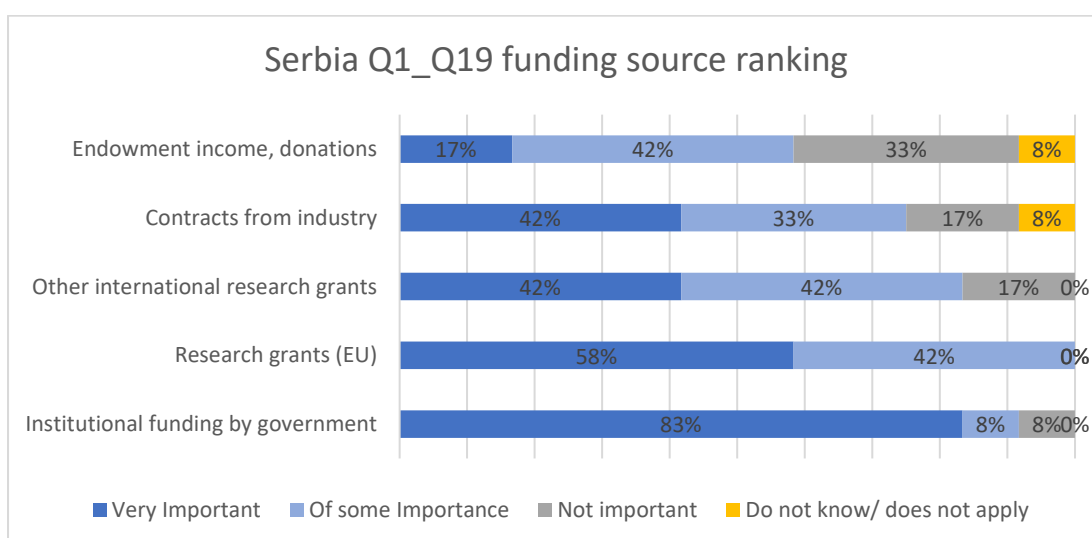

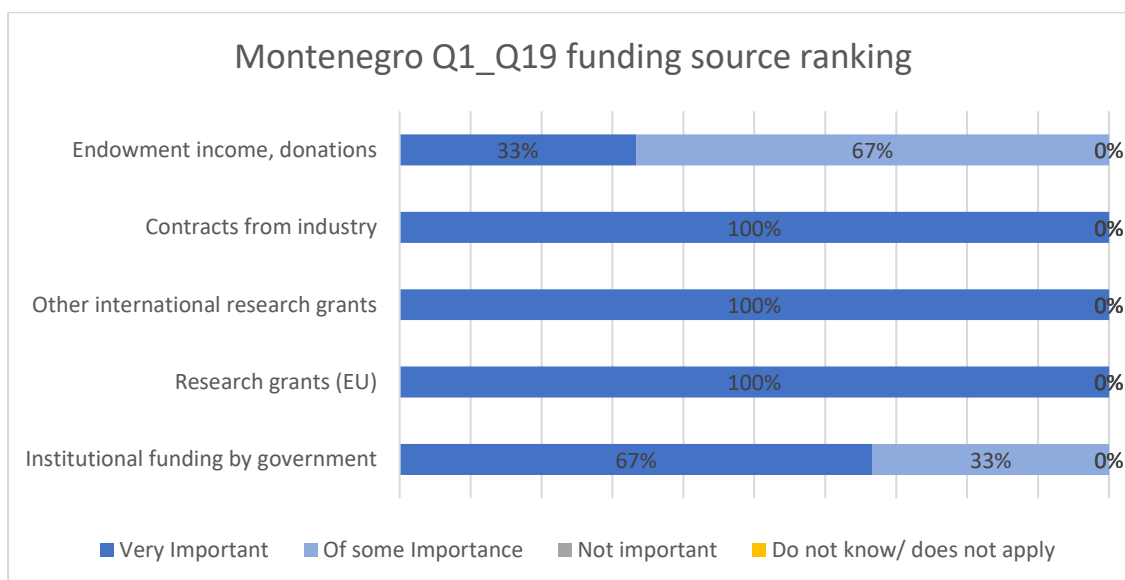

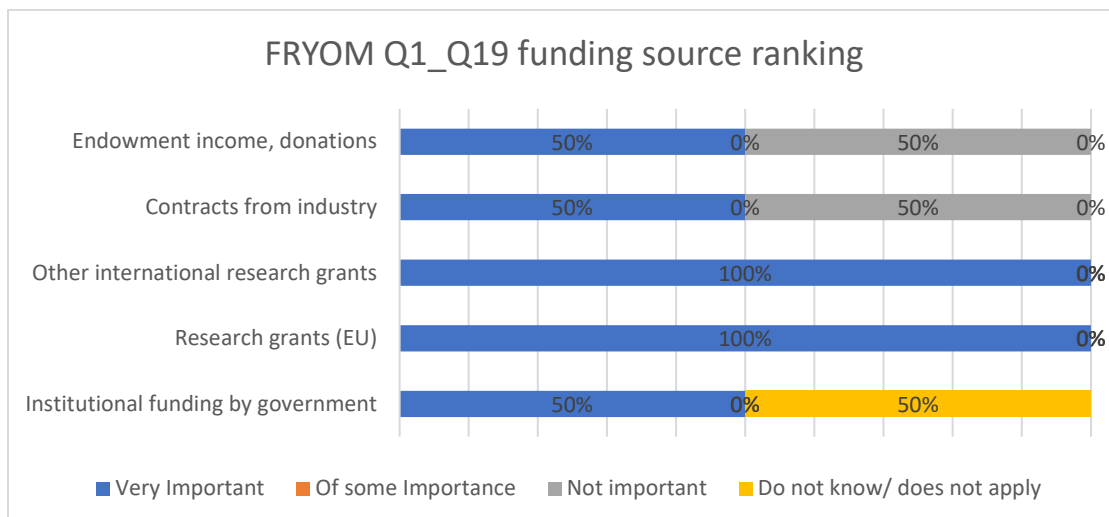

Data – questionnaire 1: institutional leadership.

19. Please rate the importance of funding sources for research.

Harnessing the potential: Research Capacity in the Western Balkans.

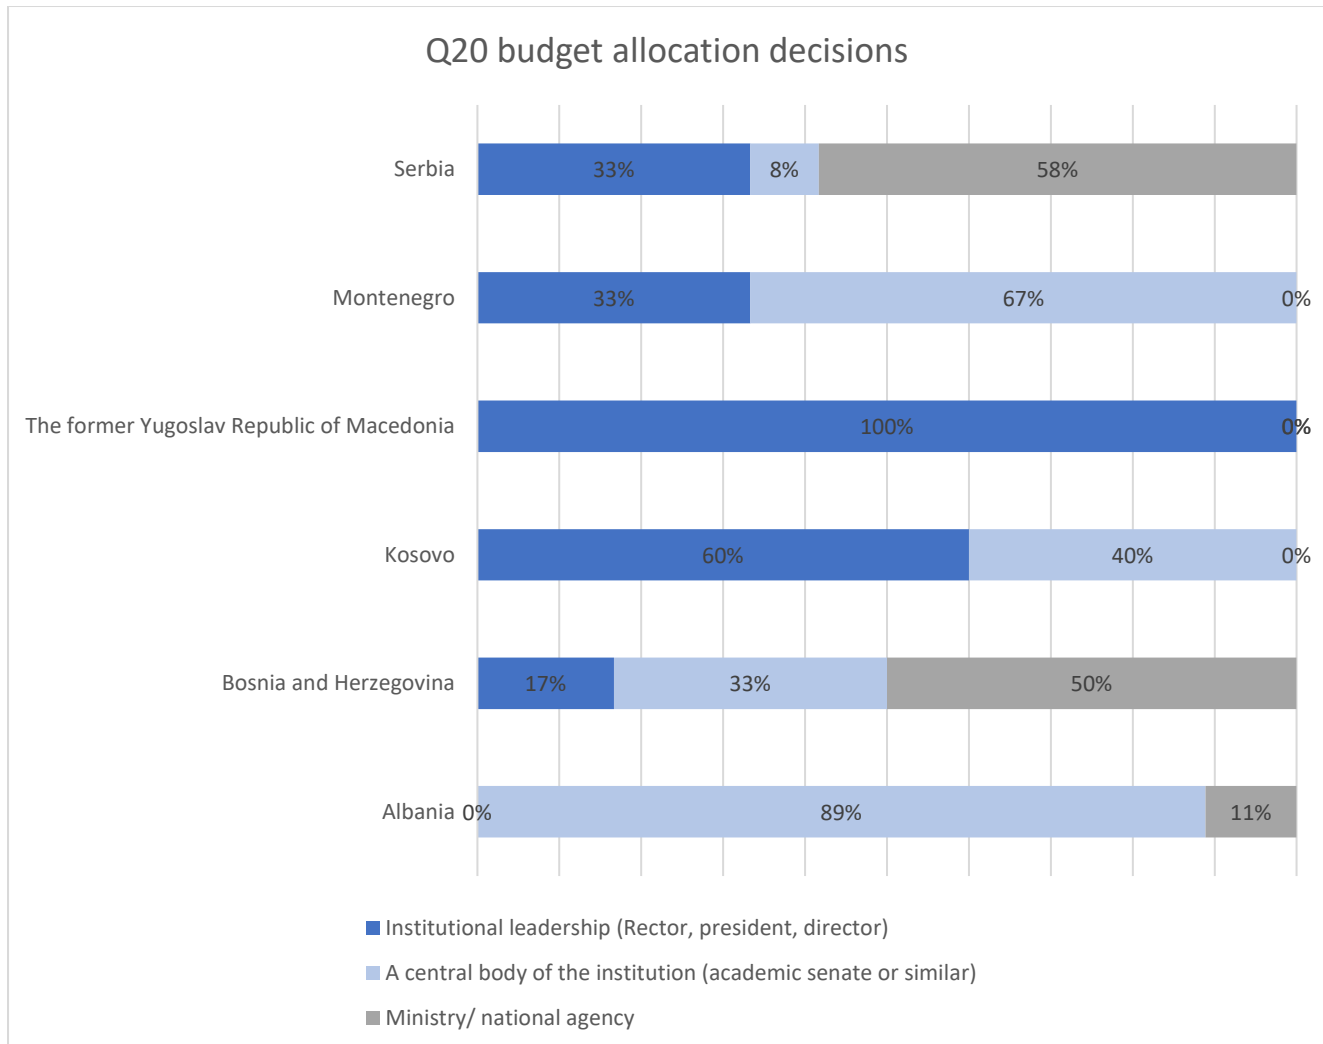

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

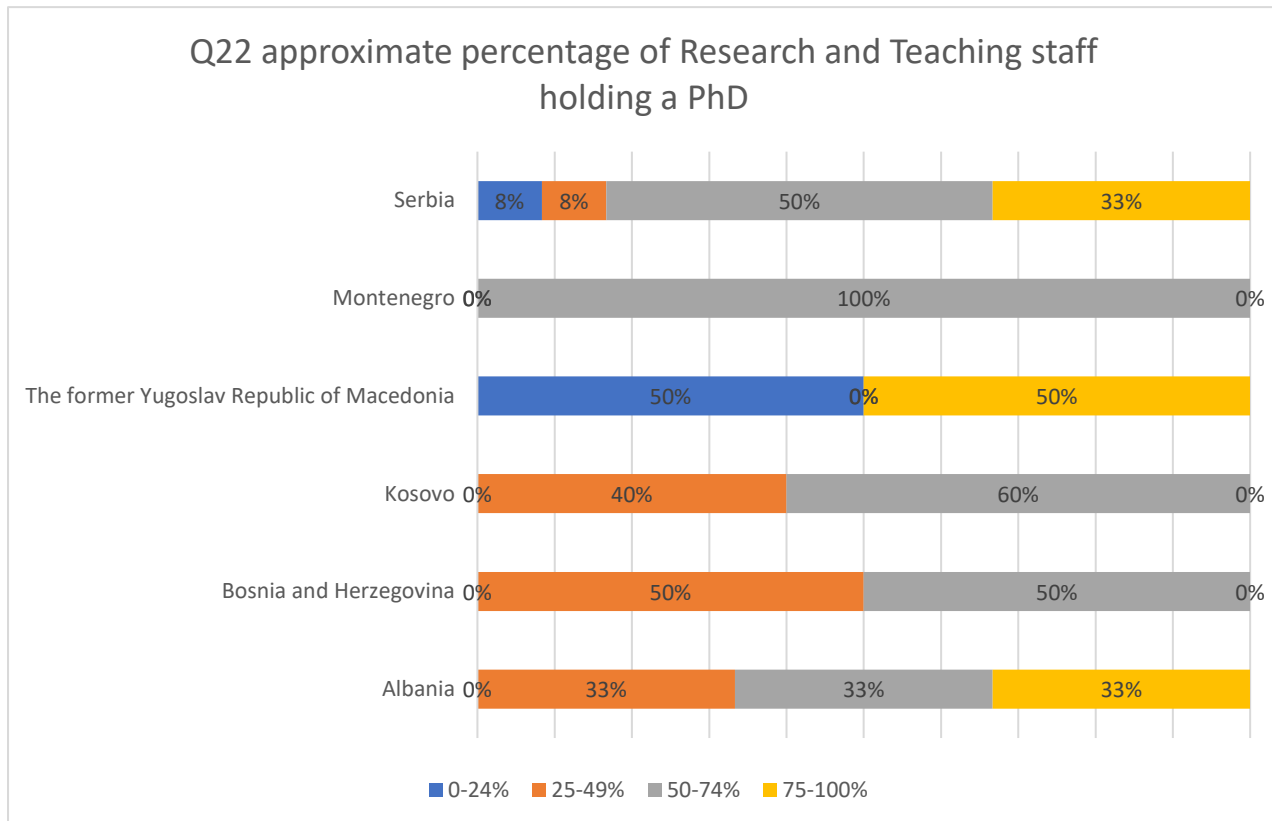

20. Who decides on how this budget is allocated to the faculties/ departments?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

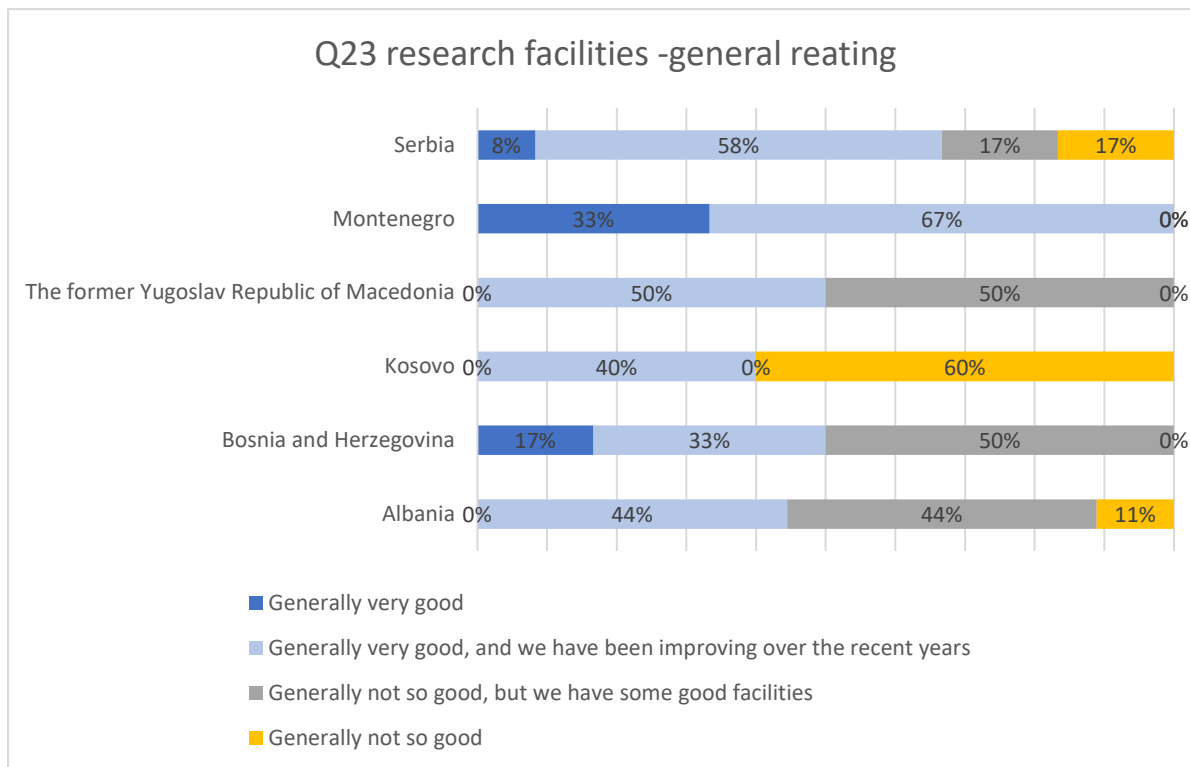

22. Please indicate the approximate percentage of Research and Teaching staff holding a PhD at your faculty.

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

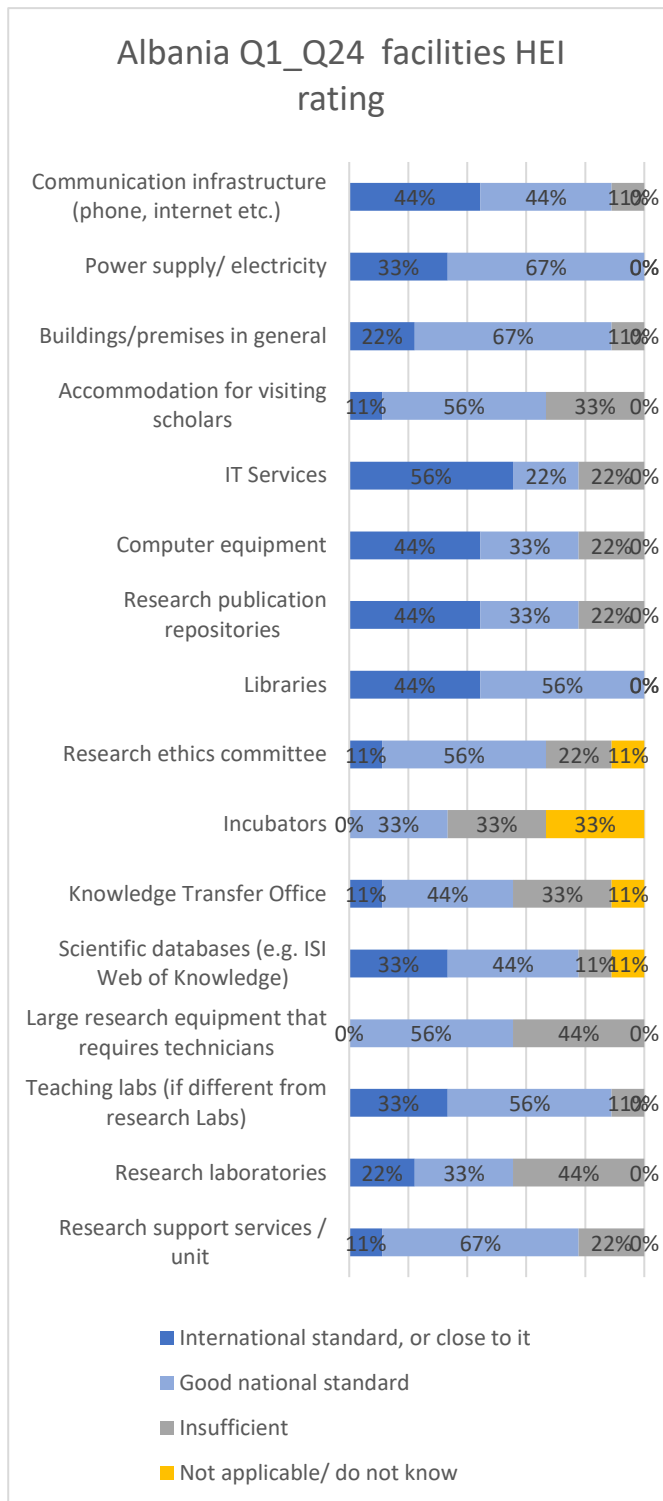

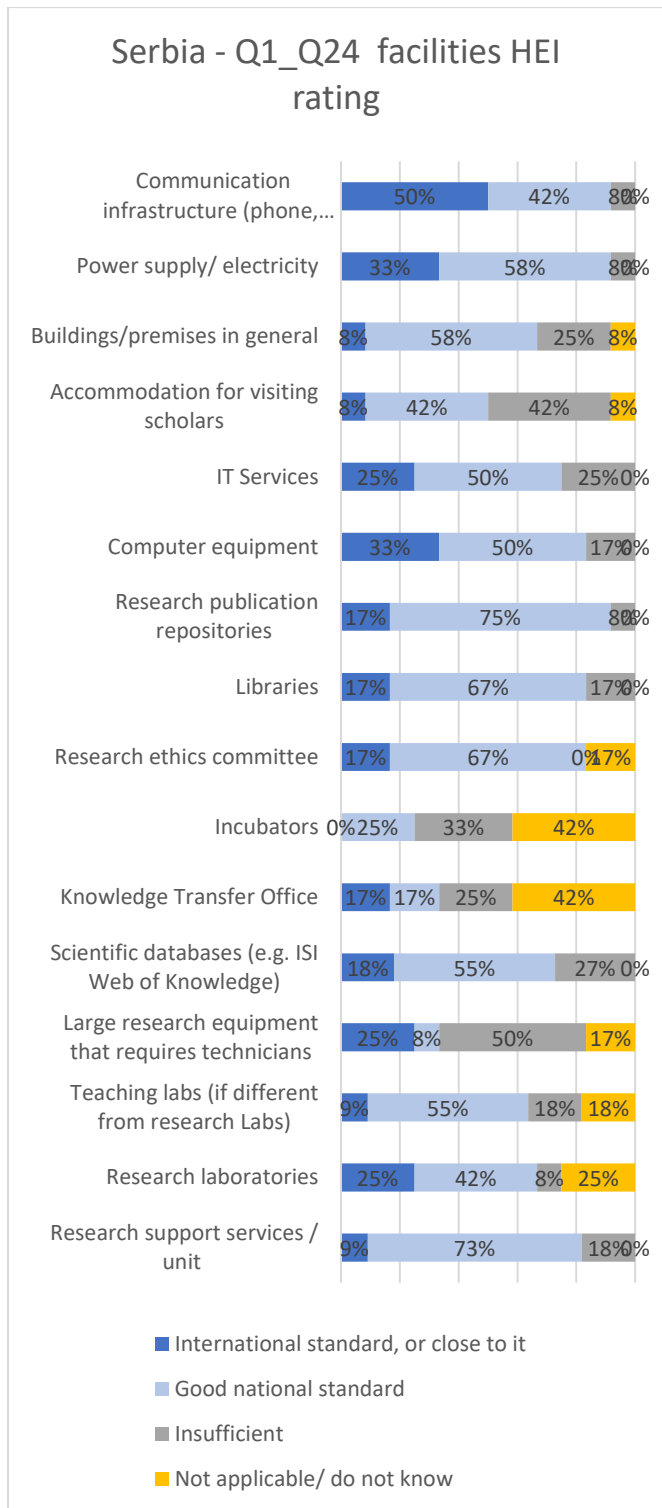

23. How would you describe the research facilities and infrastructure (labs, computer labs, libraries, research support services etc.) at your institution?

Harnessing the potential: Research Capacity in the Western Balkans.

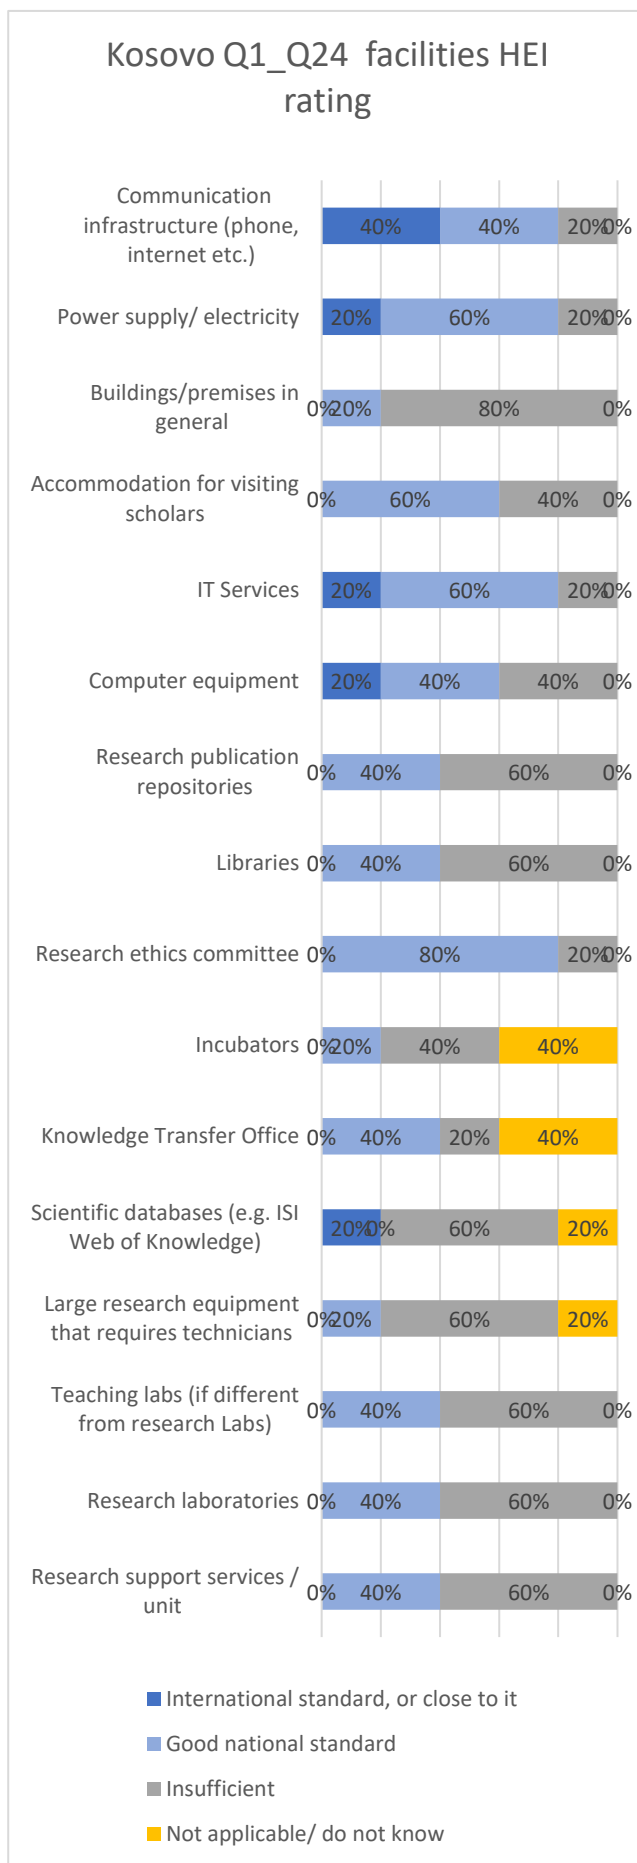

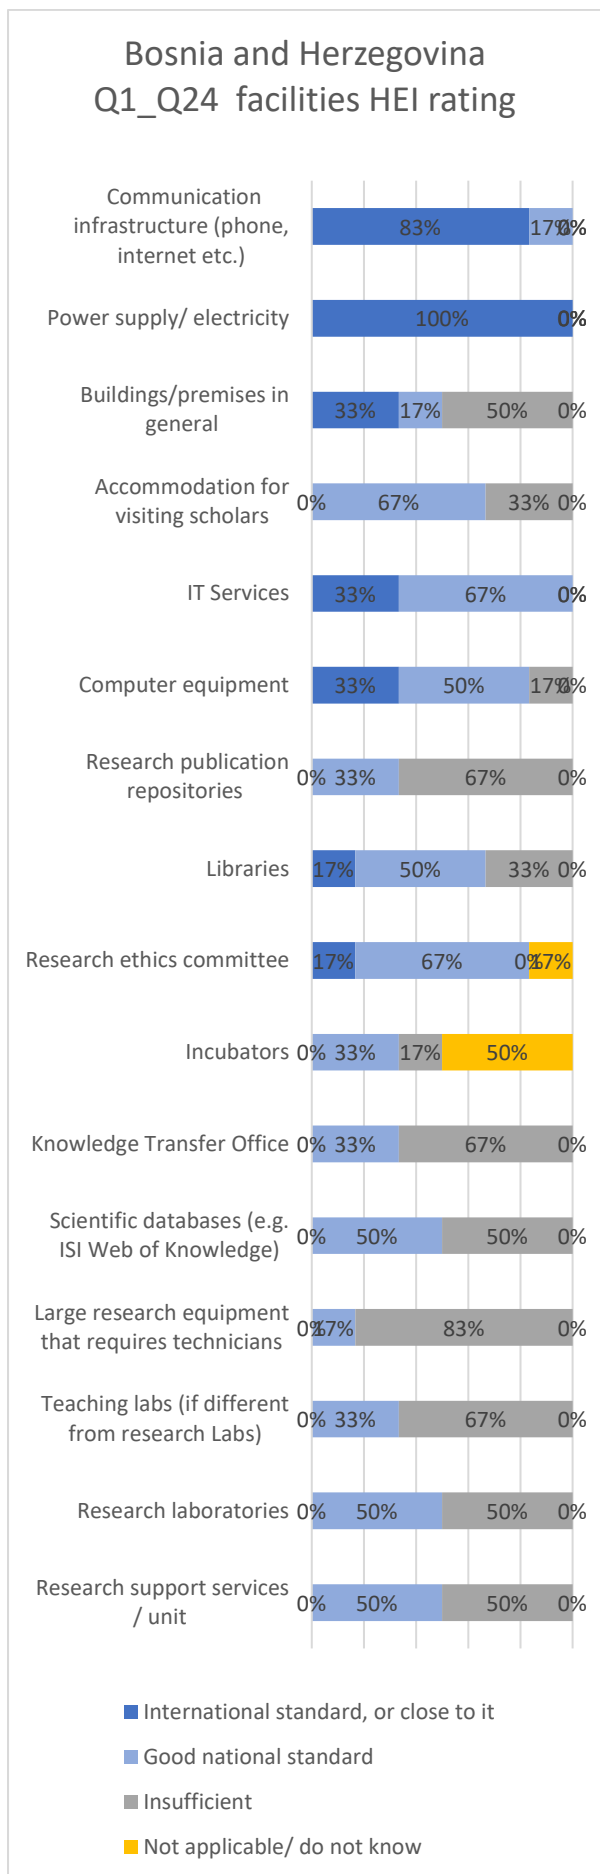

Data – questionnaire 1: institutional leadership.

24. How would you generally describe facilities and infrastructure at your institution?

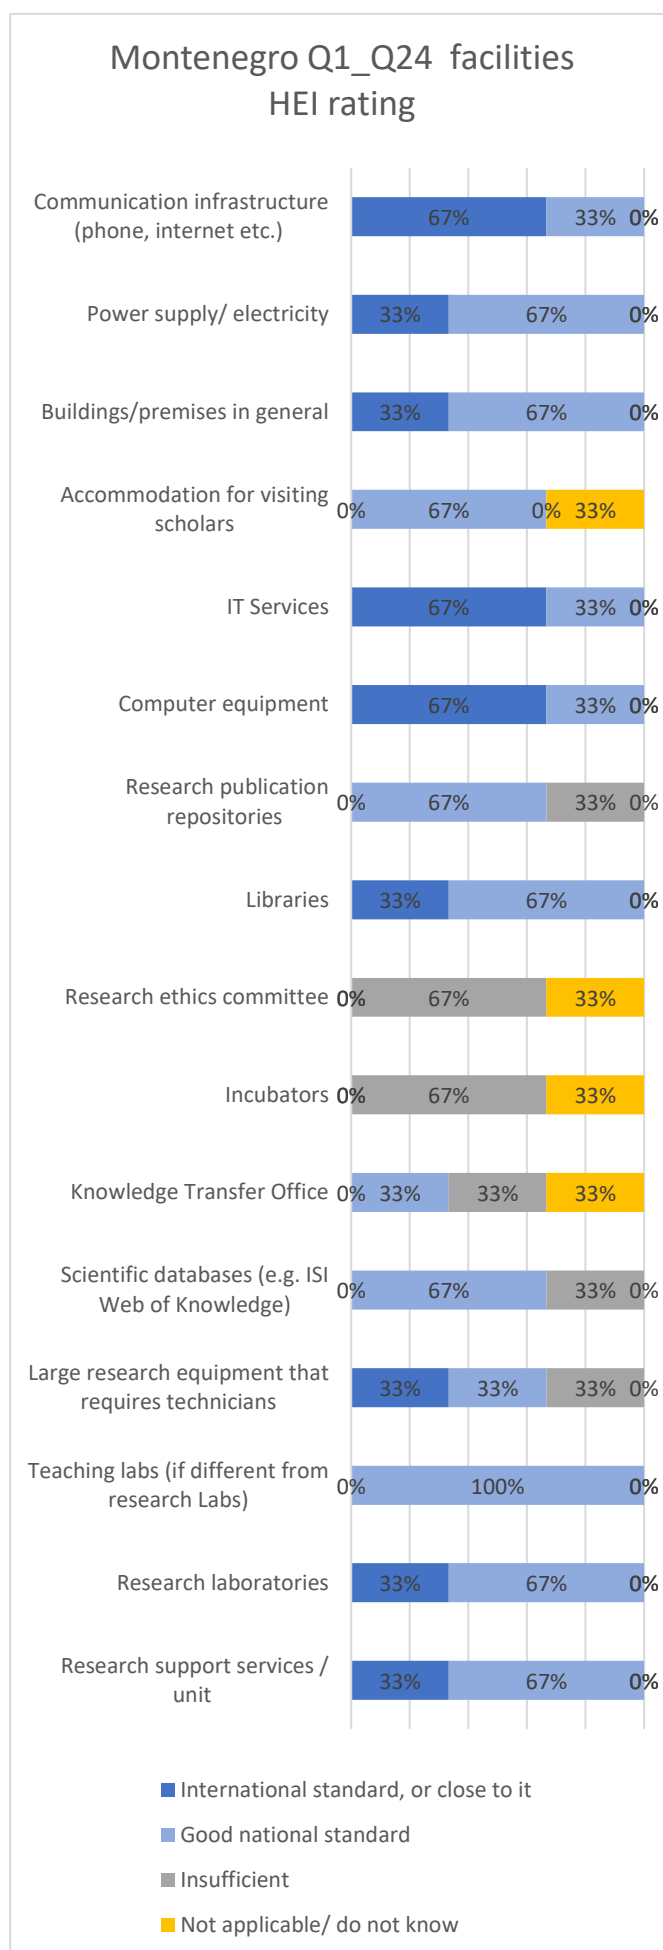

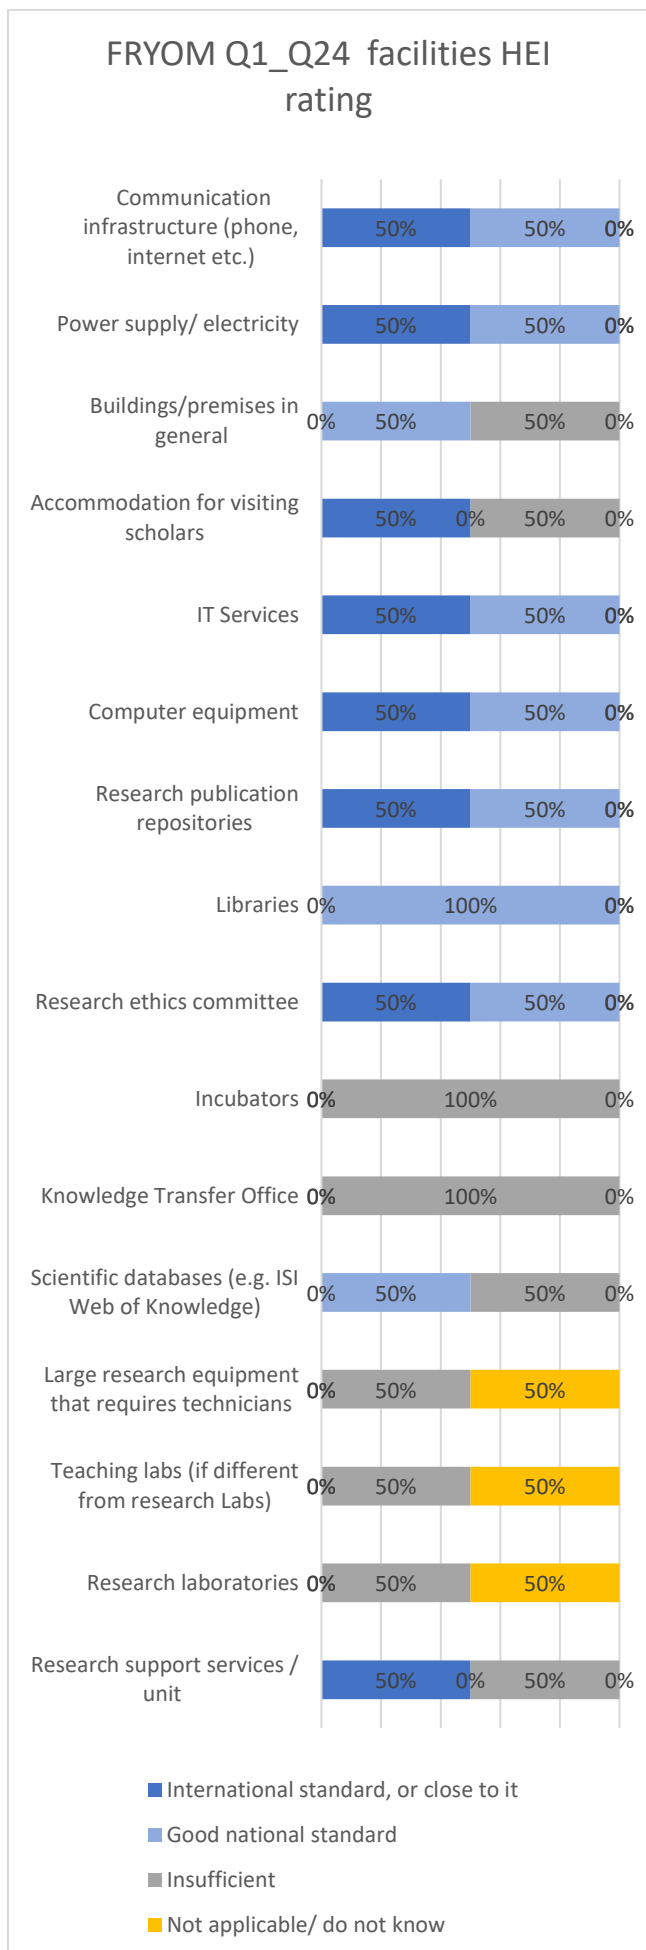

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

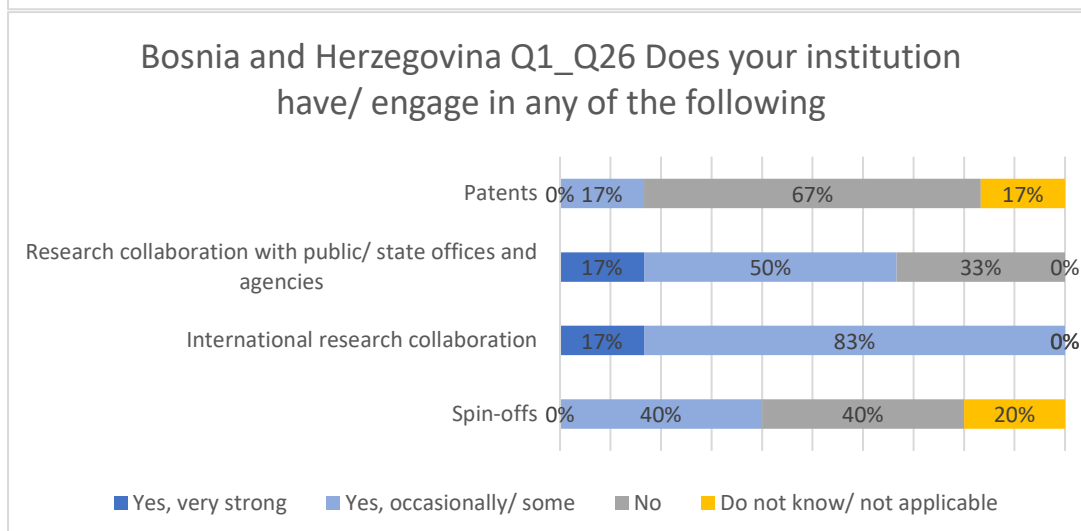

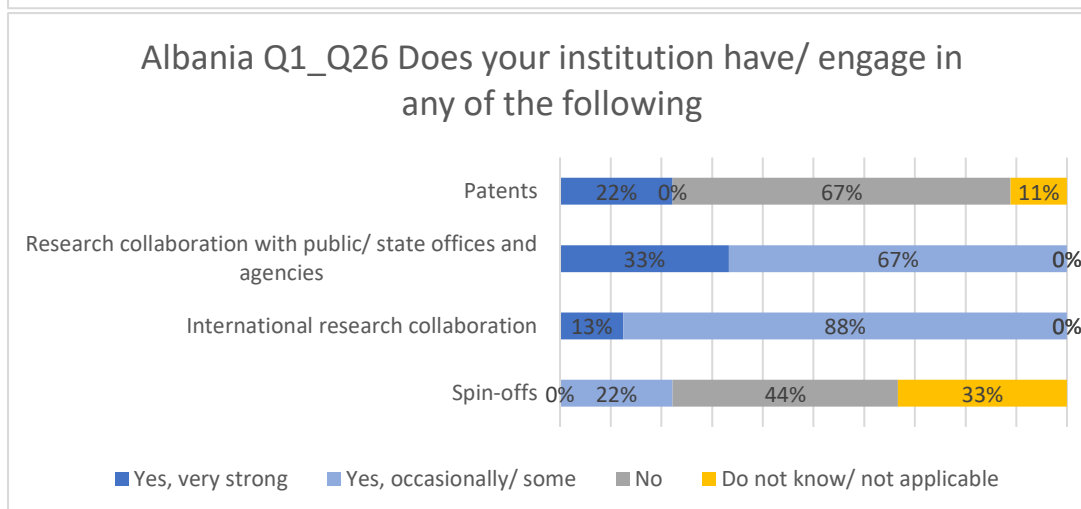

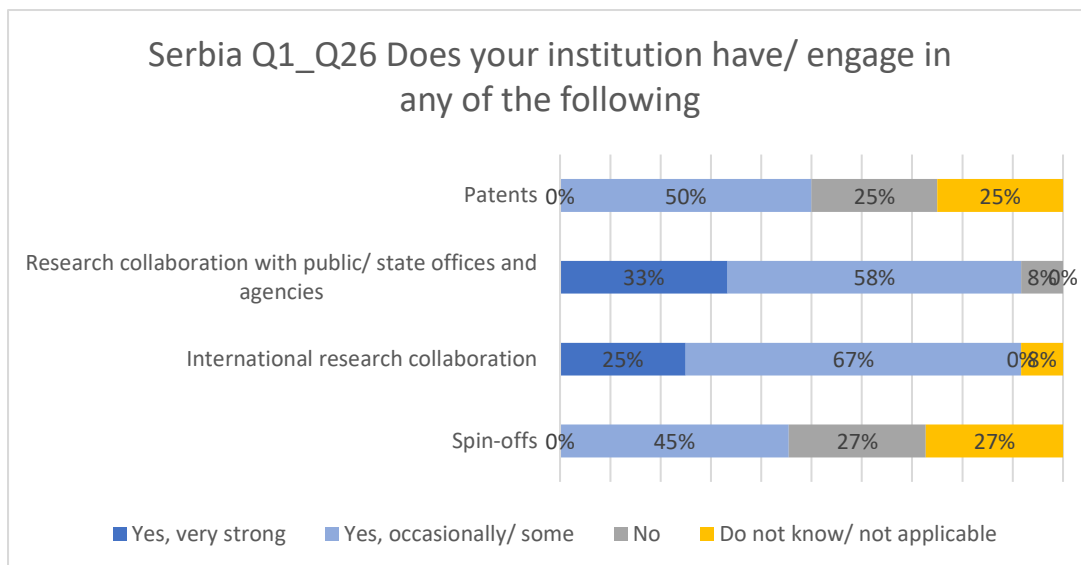

Data – questionnaire 1: institutional leadership.

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.

26. Does your institution have/ engage in any of the following?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 1: institutional leadership.
