

Harnessing the potential: Research Capacity in the Western Balkans

DATA for the REPORT, December 2017

Questionnaire 3 (Q3) Addressing individual researchers

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

Table of Contents

Sample:	3
2. Are you...?	3
5. Which type of institution do you currently work at?.....	3
6. What is your position?	4
7. Which describes best your current employment situation?	4
8. If you have selected a fixed term contract, what is the duration?	5
10. Does your salary come from...?	5
11. Do you also work in any other place?	6
16. Are you teaching?	6
16.1. If you are teaching: What is your weekly teaching work load at your main institution and, if applicable, at other institutions?.....	6
17. On average, how much time per week can you allocate to research?	7
18. What is your main field of research? Please select all that apply.	8
19. How do you usually conduct your research activities?.....	8
20. How many PhD candidates are you currently supervising?	9
21. How much freedom do you have in your research to...?	9
22. Which of the following describes your situation?	10
23. Do you have access to the following? If yes, how would you rate the quality?.....	11
24. Have you published any of the following over the last year (2016)?	12
24.1 If co-authored, who do you write with most often?	13
25. Where you involved in any research activity related with local development or other kind of societal impact over the last year?	13
28. What are the main problems that you and fellow researchers face at your faculty/department / institute?	14
24. What do you see as the main problems for research in your country?	15

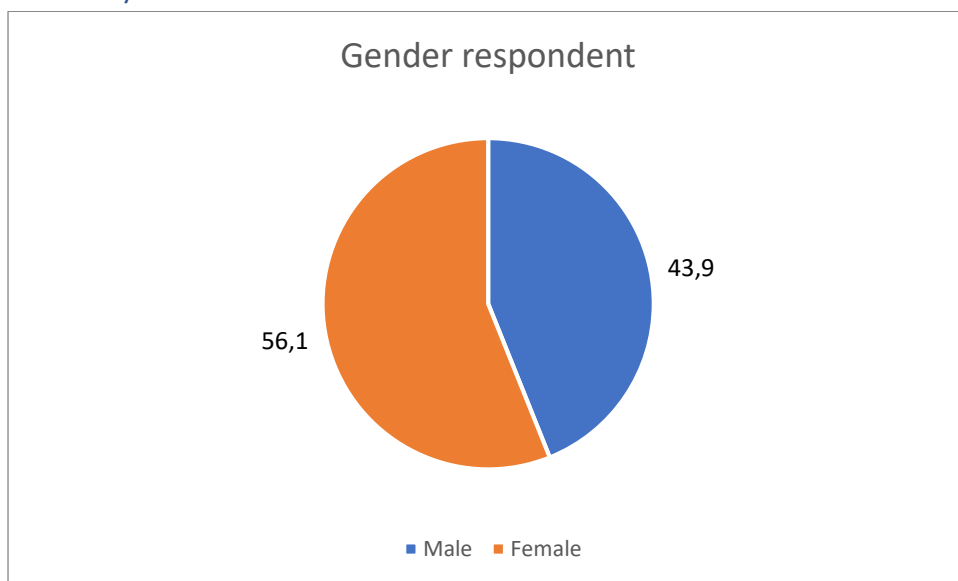

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

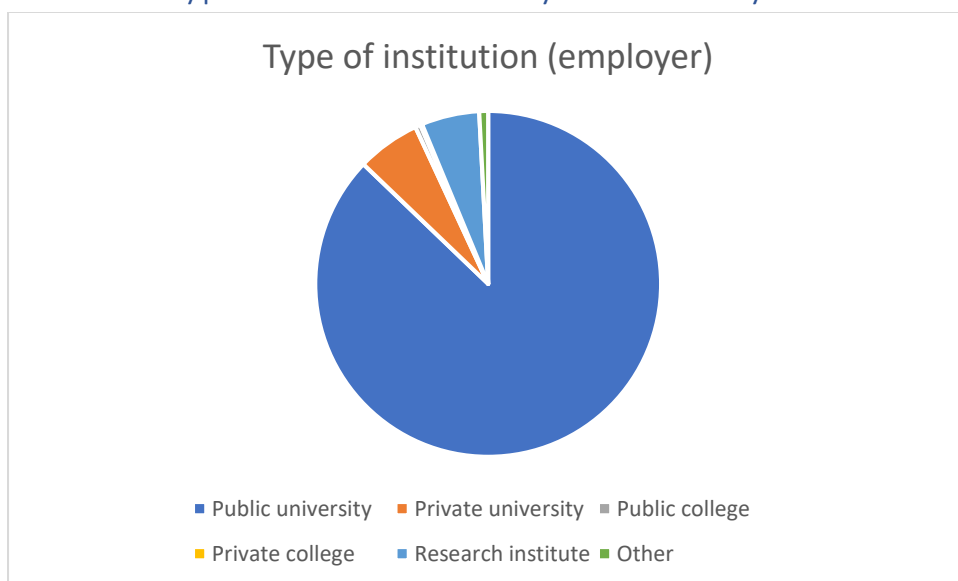

Sample:

Albania	93
Bosnia and Herzegovina	136
Kosovo	40
the former Yugoslav Republic of Macedonia	19
Montenegro	128
Serbia	785
Total	1201

2. Are you...?

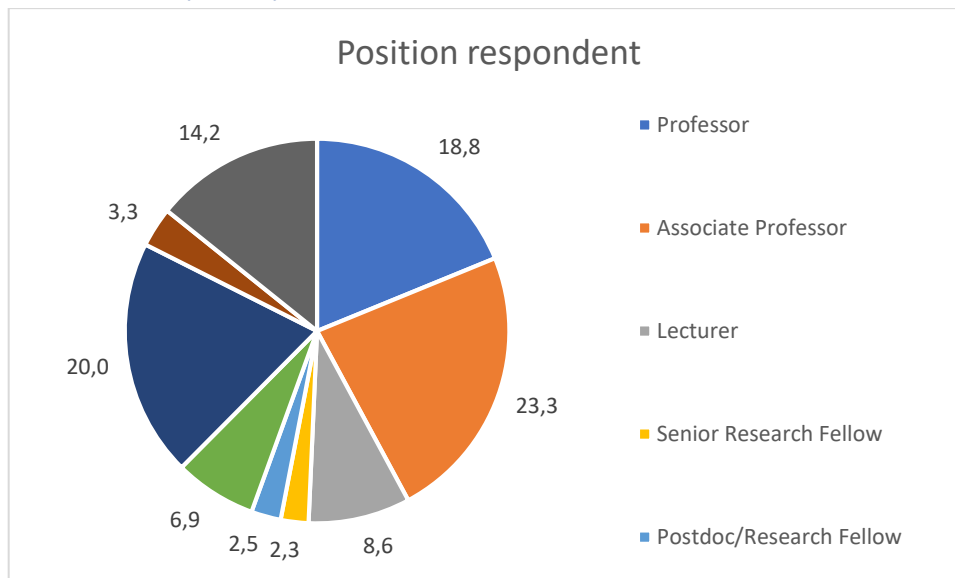

5. Which type of institution do you currently work at?

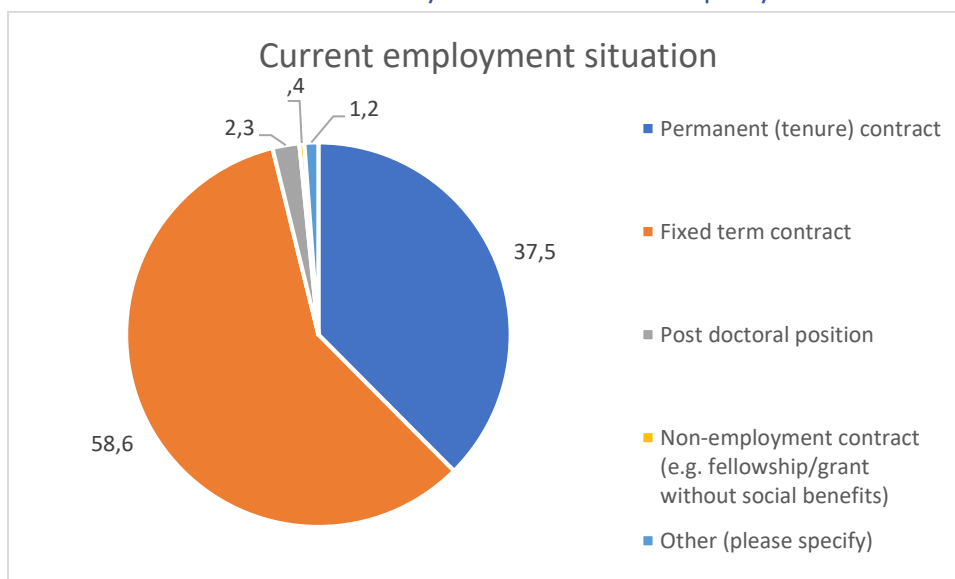

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

6. What is your position?

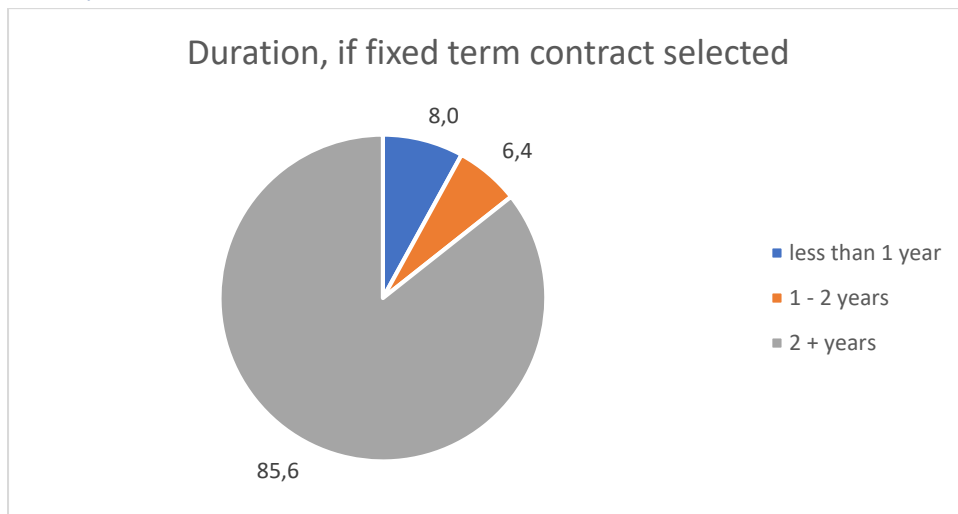

7. Which describes best your current employment situation?

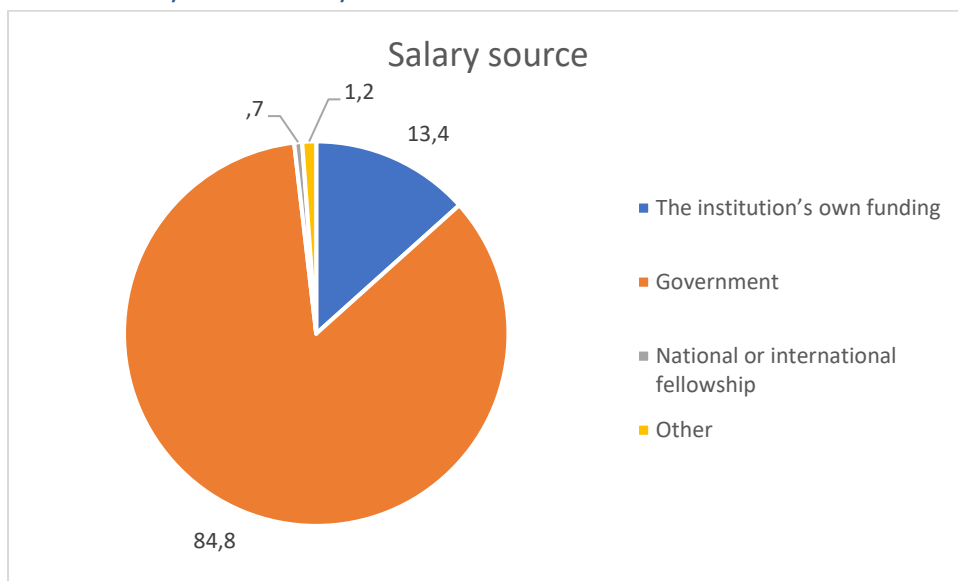

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

8. If you have selected a fixed term contract, what is the duration?

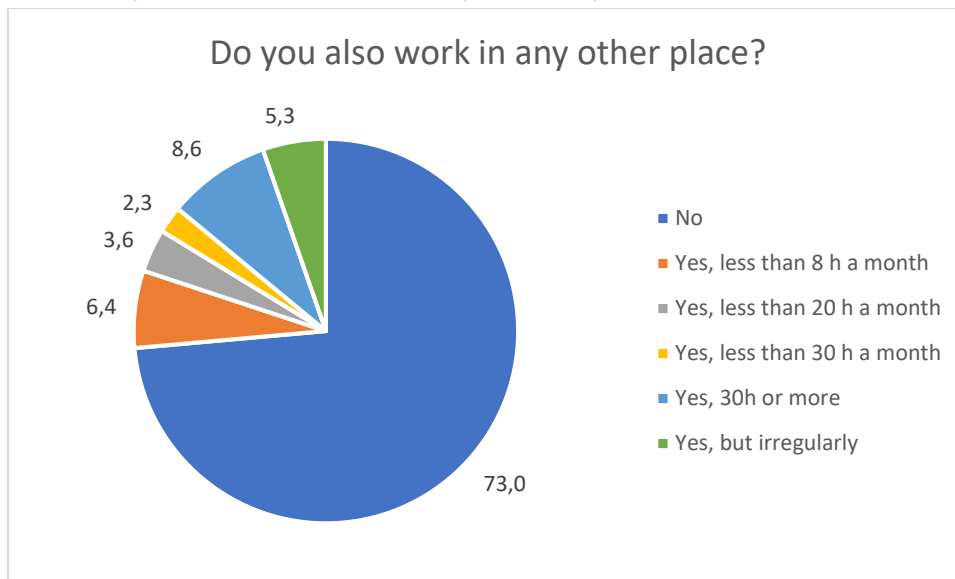

10. Does your salary come from...?

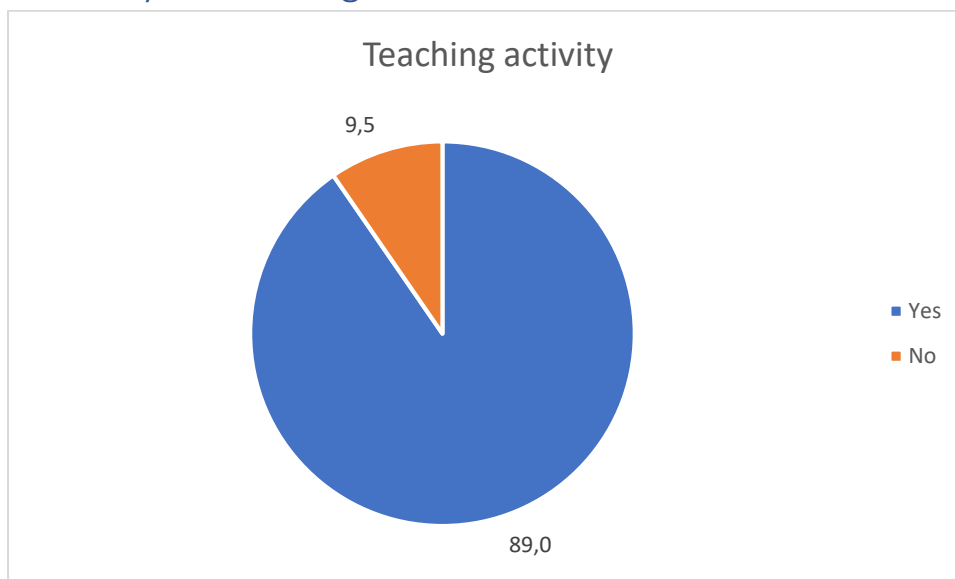

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

11. Do you also work in any other place?

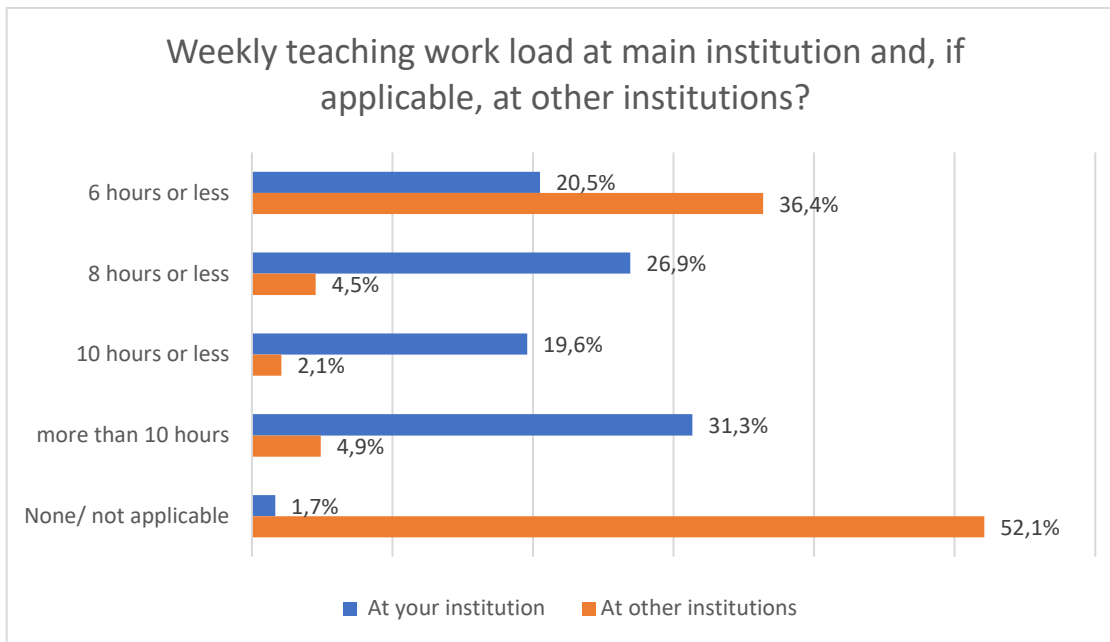

16. Are you teaching?

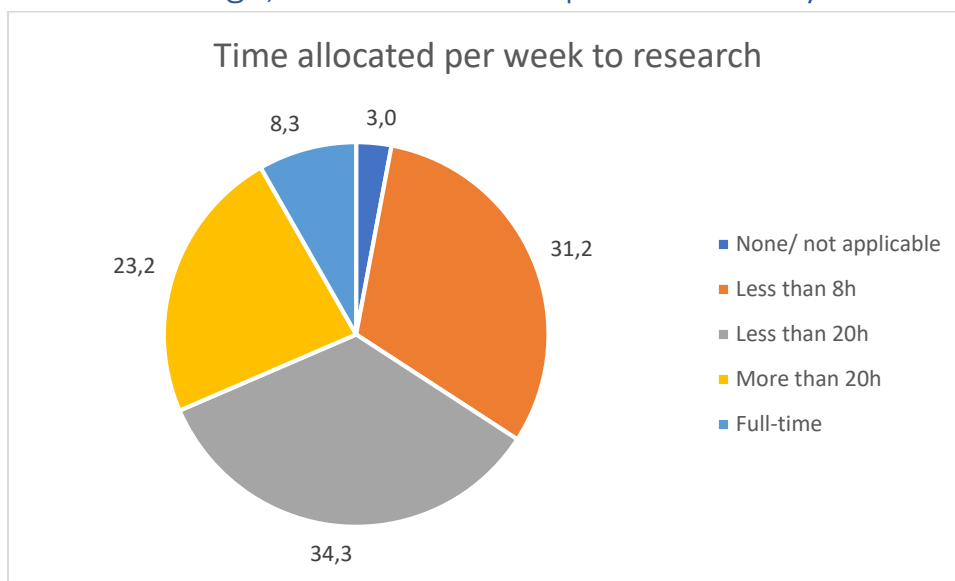

16.1. If you are teaching: What is your weekly teaching work load at your main institution and, if applicable, at other institutions?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

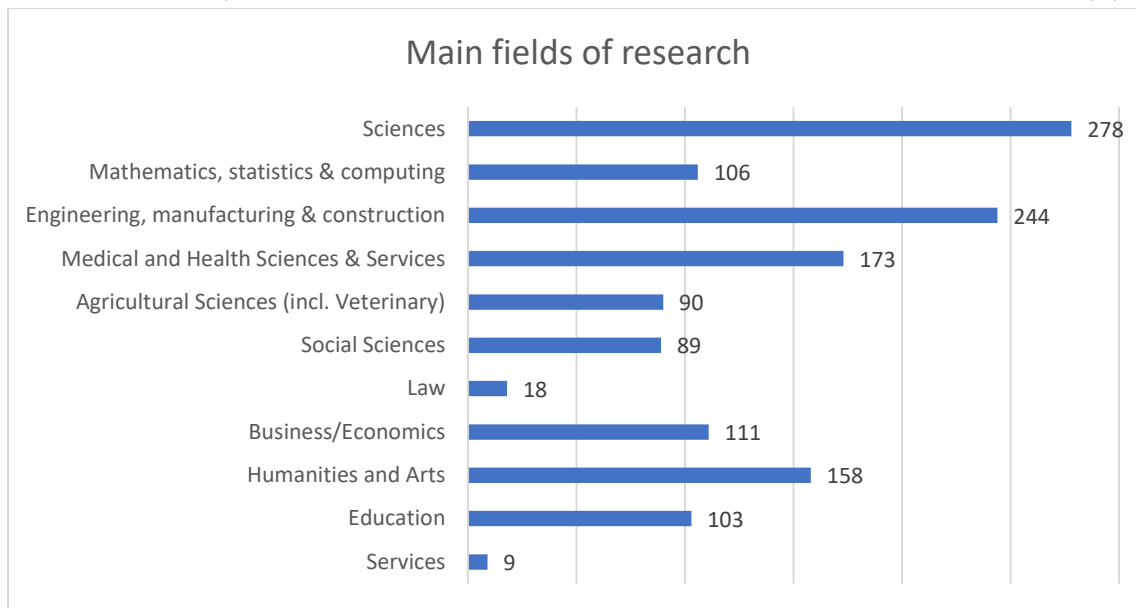

17. On average, how much time per week can you allocate to research?

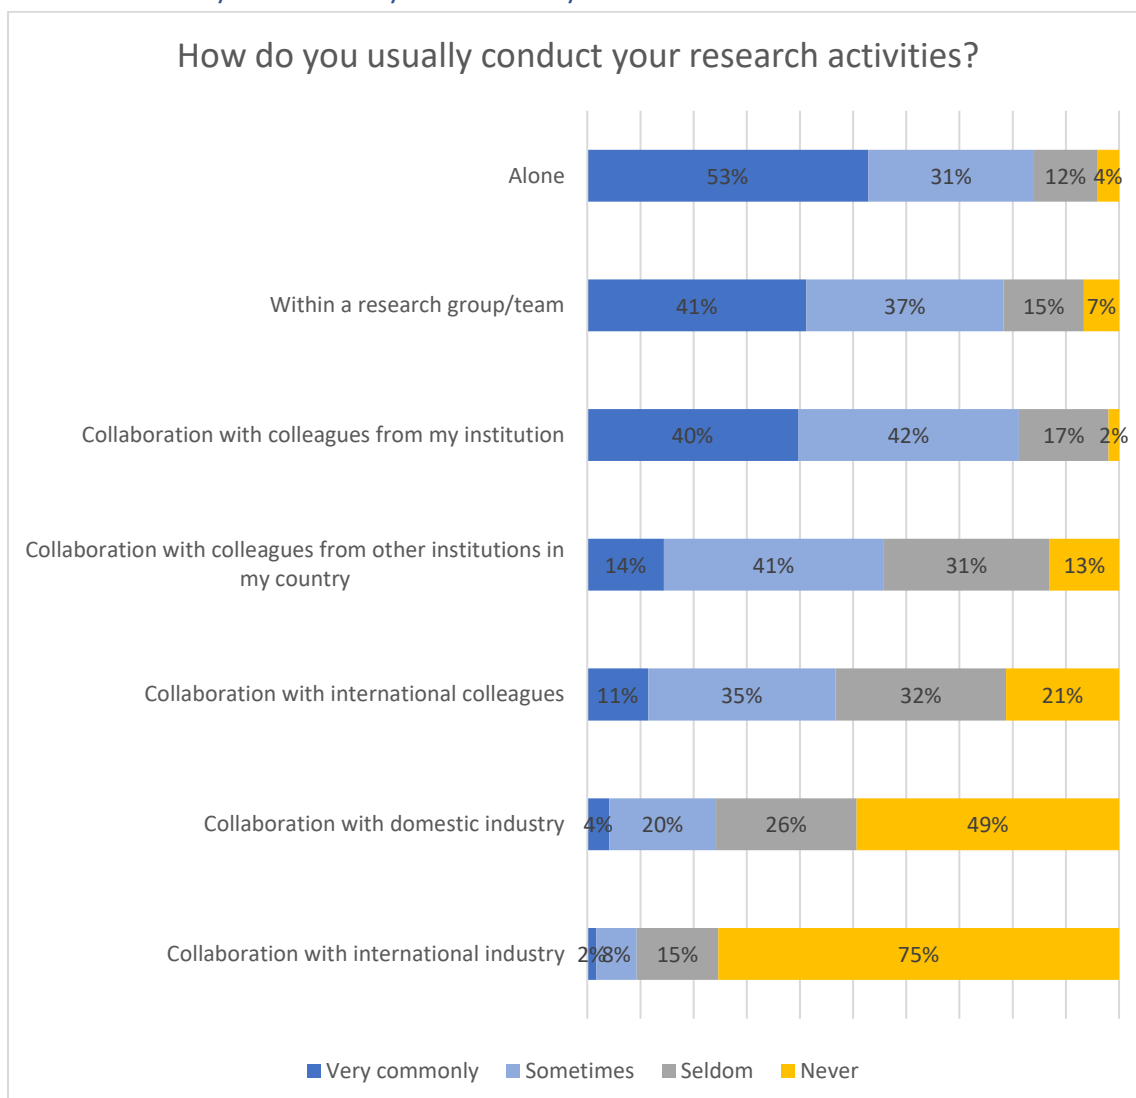

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

18. What is your main field of research? Please select all that apply.

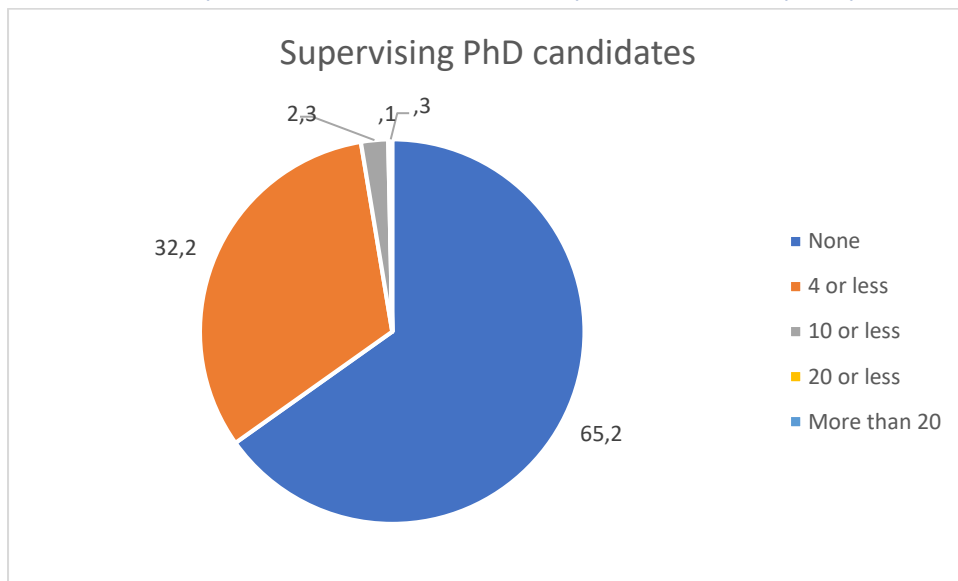

19. How do you usually conduct your research activities?

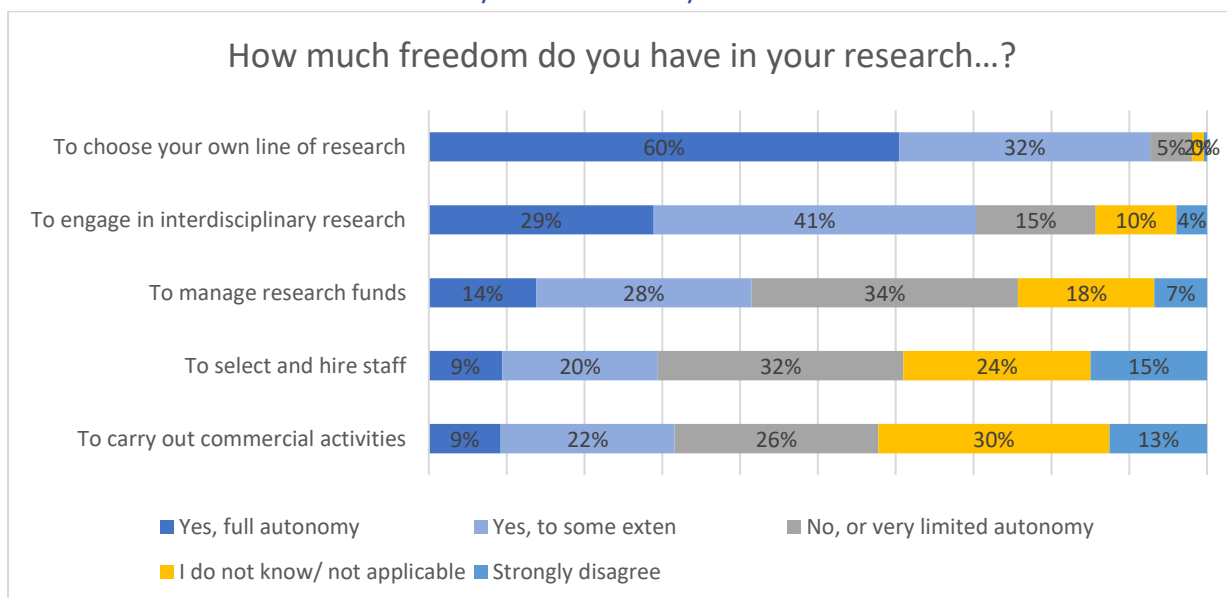

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

20. How many PhD candidates are you currently supervising?

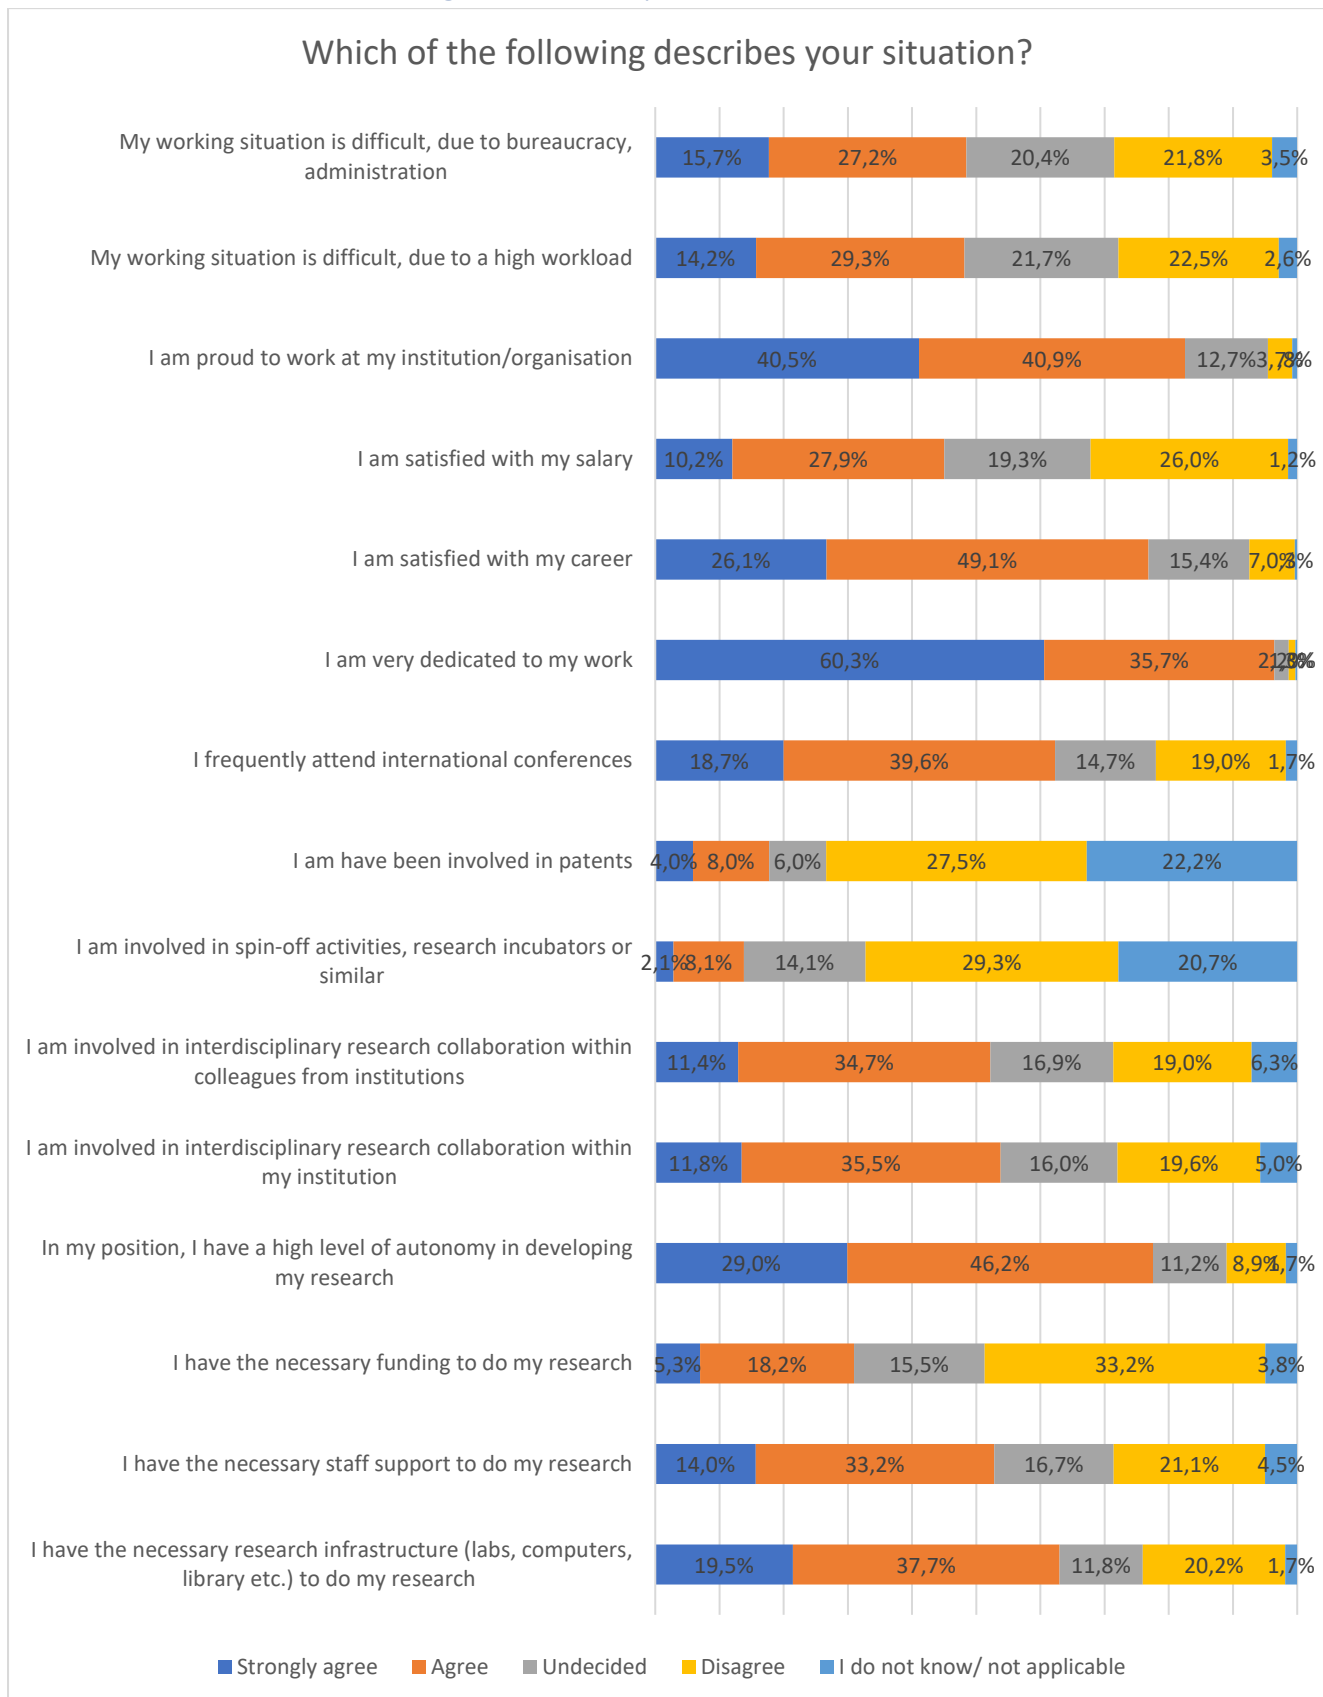

21. How much freedom do you have in your research to...?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

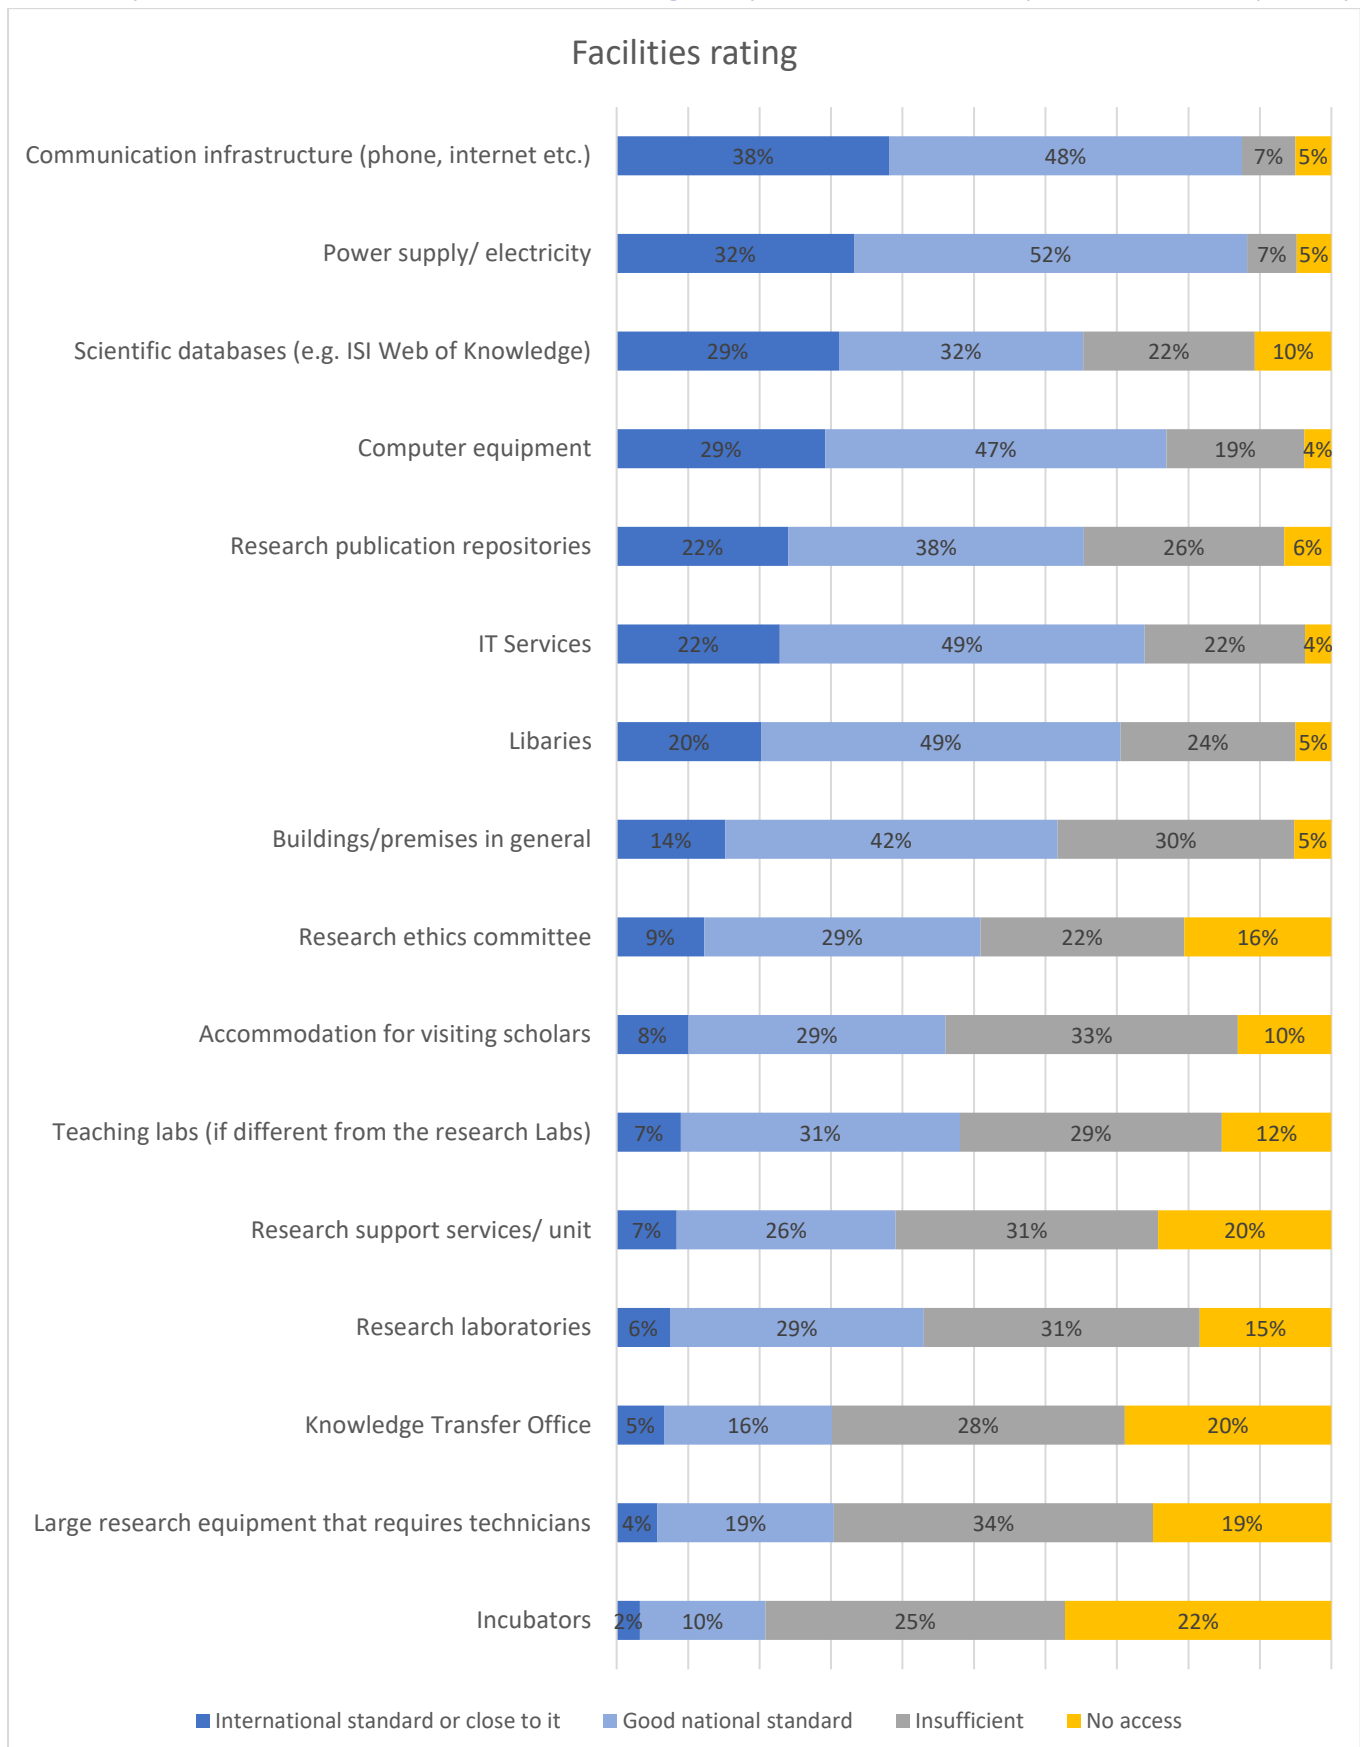

22. Which of the following describes your situation?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

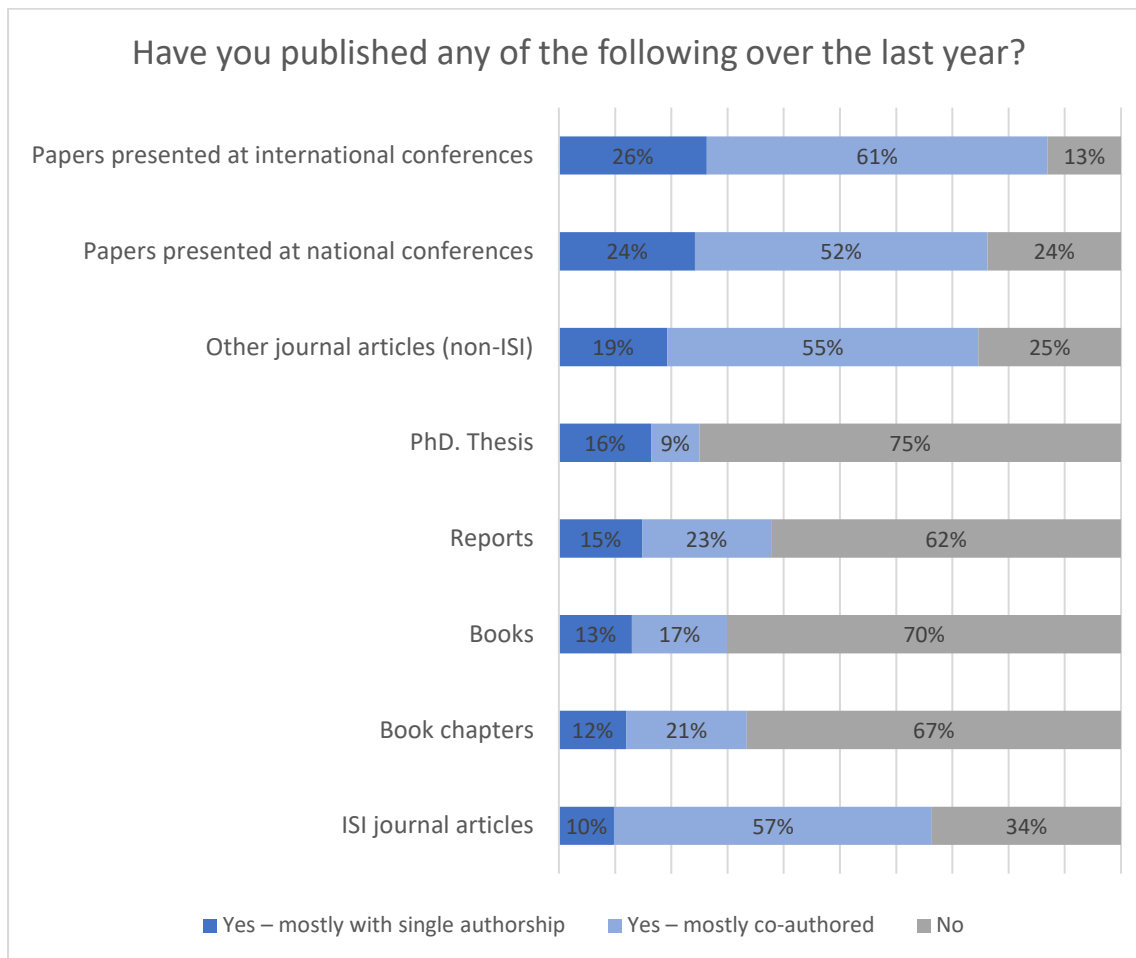

23. Do you have access to the following? If yes, how would you rate the quality?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

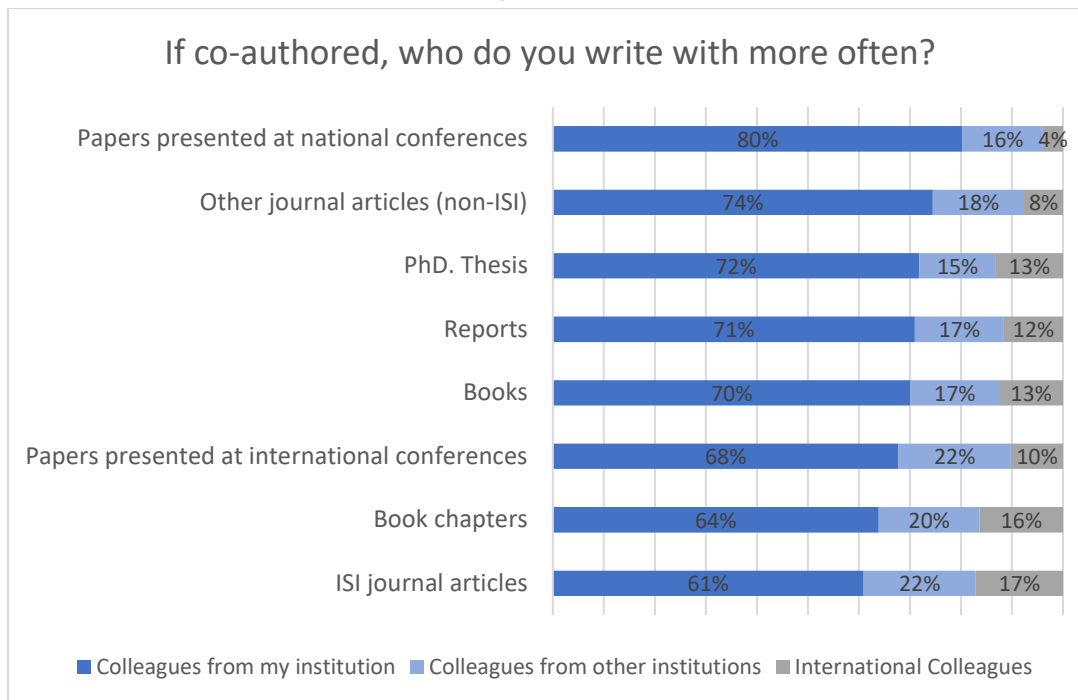

24. Have you published any of the following over the last year (2016)?

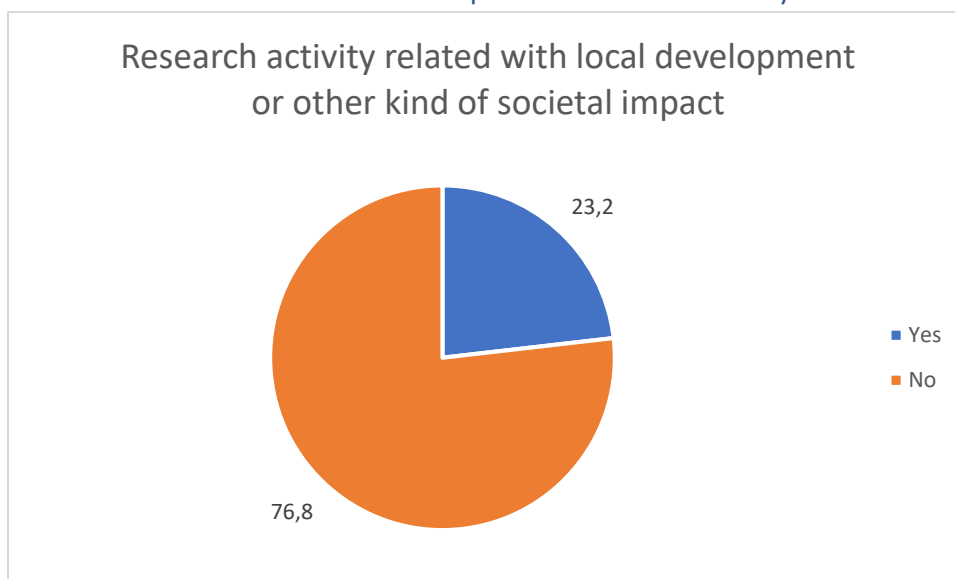

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

24.1 If co-authored, who do you write with most often?

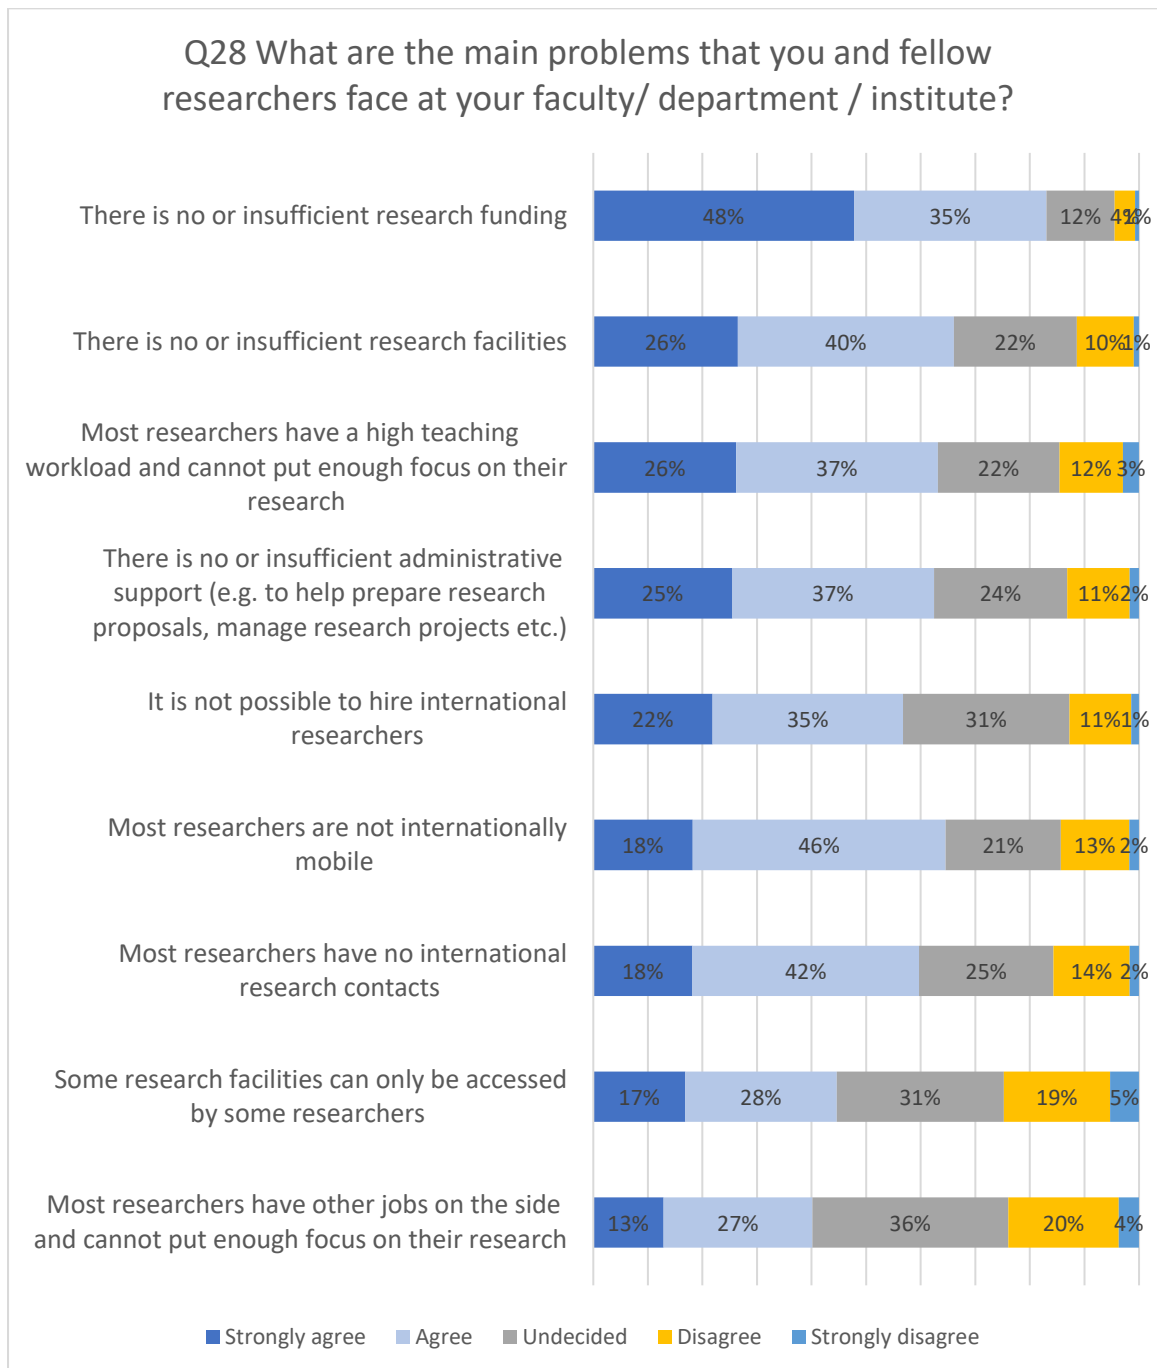

25. Where you involved in any research activity related with local development or other kind of societal impact over the last year?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

28. What are the main problems that you and fellow researchers face at your faculty/department / institute?

Harnessing the potential: Research Capacity in the Western Balkans.

Data – questionnaire 2: individual researchers.

24. What do you see as the main problems for research in your country?
